The Building Of A Legend
Spartan '88

What exactly is a legend? According to volume 17 of the Encyclopedia Americana, a legend is a traditional narrative, often involving heroes and other important persons and is presented as true. Although legends are not necessarily historial record, they usually include historical figures and facts. Legends focus on humans and their experiences. The purpose of a legend is often to explain or glorify the ancestry or history of a group.

This book is a recorded legend designed to tell the story and the history of the class of 1988. The heroes in these pages are your classmates, those people who have worked to make this class a legend of Stoneham High. They are the soldiers who have battled the enemy on the football field and in the volleyball court, the messengers who prove that the pen may indeed be mightier than the sword, the cheerleaders who are the maidens that cheer their gladiators on to victory, and the scholars similar to those Greek and Roman intellectuals whose brilliance kept those empires running for so long. As in all legends, we also have those historical figures whom myths have made into gods. We have tried to capture these larger than life figures in this book so that their deeds can be recorded for all time. You know these gods, the infamous Reed, the magical PAN, Rowell the Terrible to name a few.

So come and enter the realm of legend, where men and gods join monsters and dragons, where battles are won with swords and magic, where the class of 1988 begins . . .

After a lifetime in the town of Stoneham, memories abound—parties, vacations, weekends, arrests, sports events, town days, holidays and more; most of which were spent here, in Stoneham. These are, among others, some of the sites where these memories were shaped. With time, these places may disappear, yet through time they will stand as monuments to the "old days."

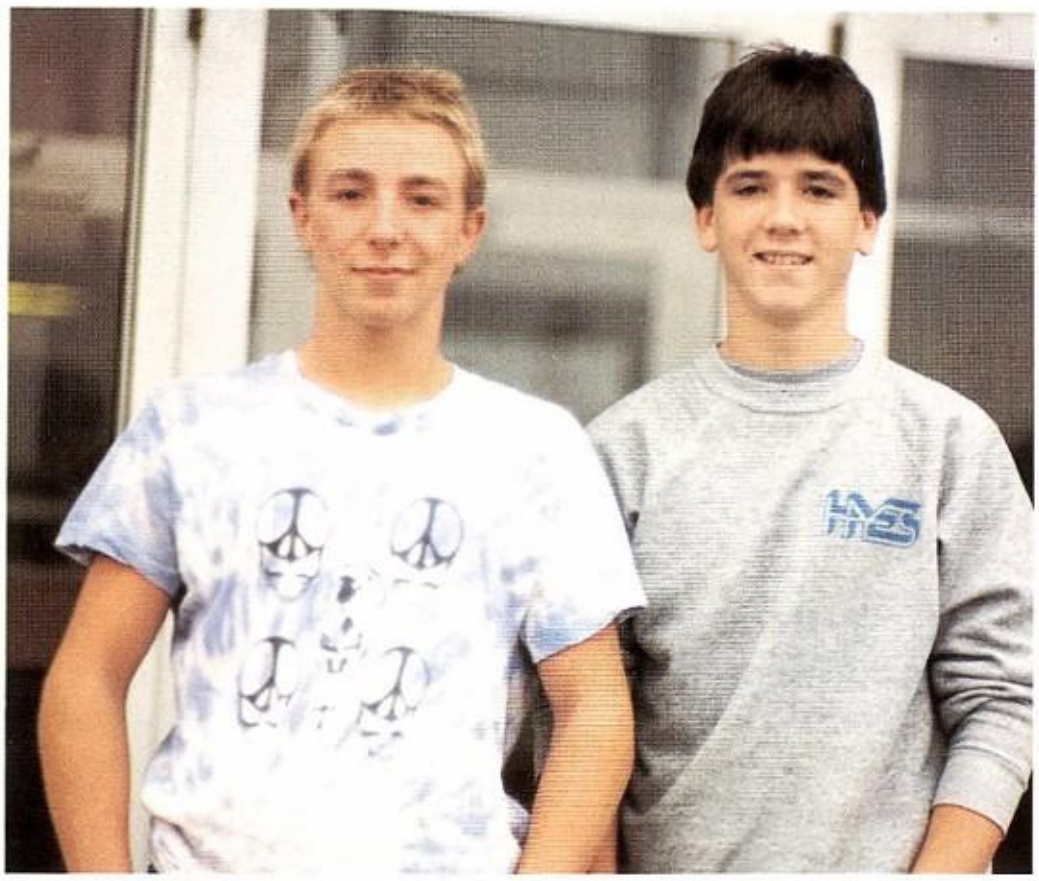
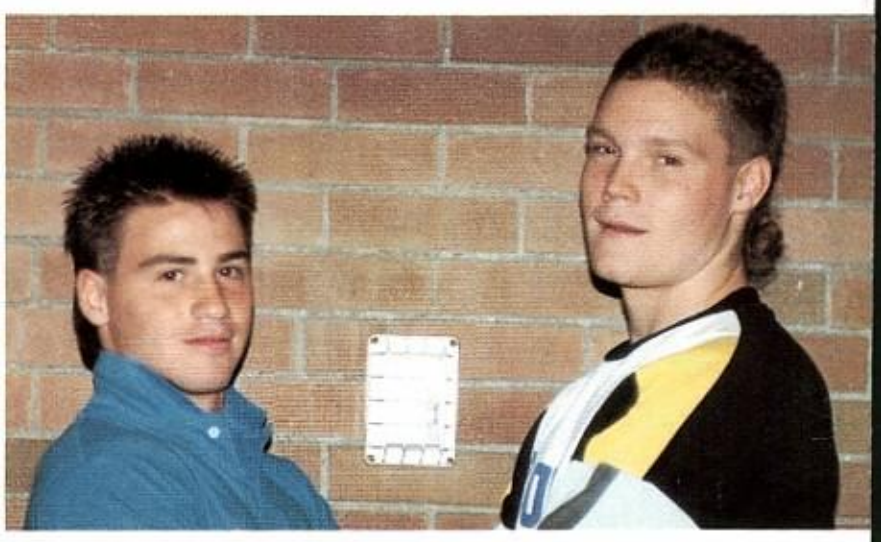
Legendary People In Town

Since our first day in school, Officer Duff has been a part of our lives. Some are happier than others about that, yet there is no doubt that everyone who attended the Stoneham Elementary Schools remembers his bald head and infamous accident chart! Nick Apalakis, the man who has held every elected position in the town of Stoneham, is a legend, as well. Among the Stoneham High School staff legends abound—Bernie Corbett, the ultimate sub, Mr. Margarita, the kind-hearted, ex-pro-football star has touched us all, Dr. Hoyt, the newly appointed Superintendent, the one-and-only REED, and a few others will all hold special places in our memories.

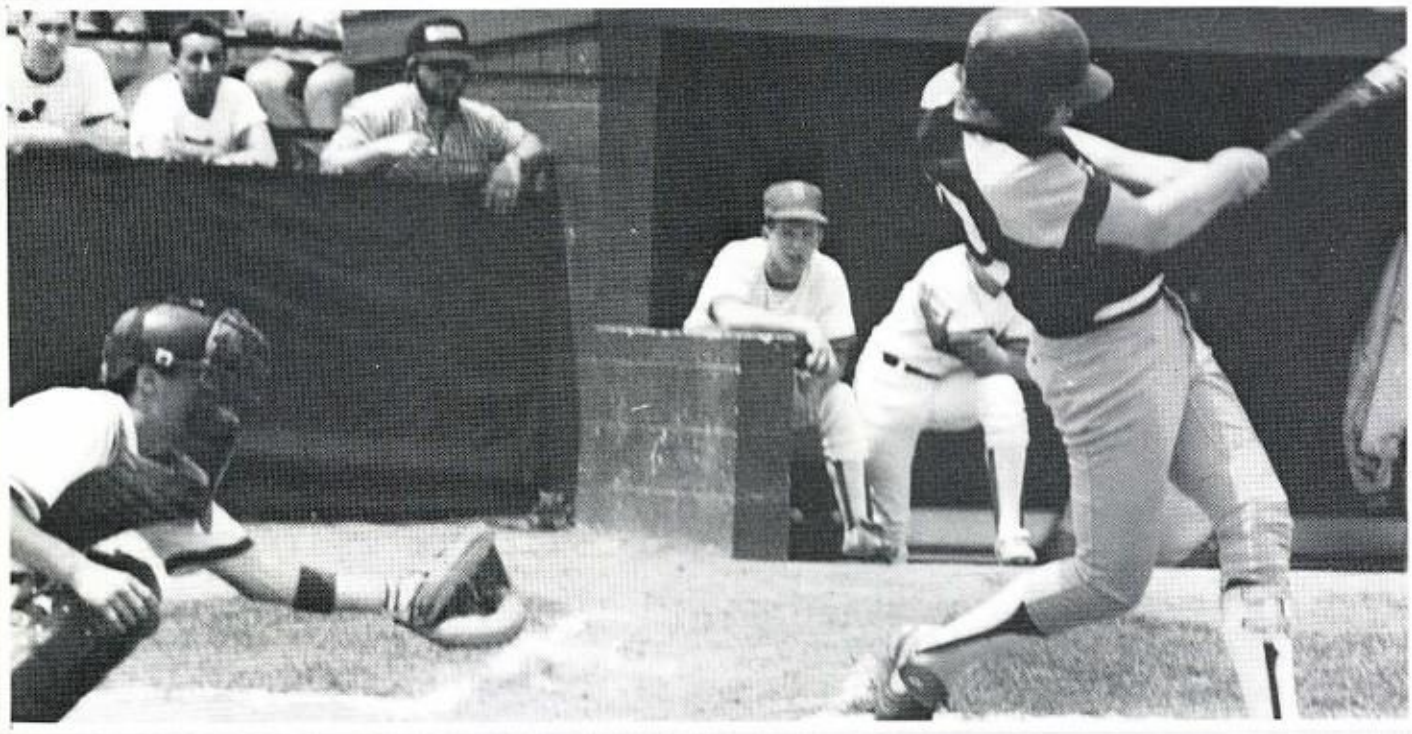
FRIENDSHIP IS . . . . .

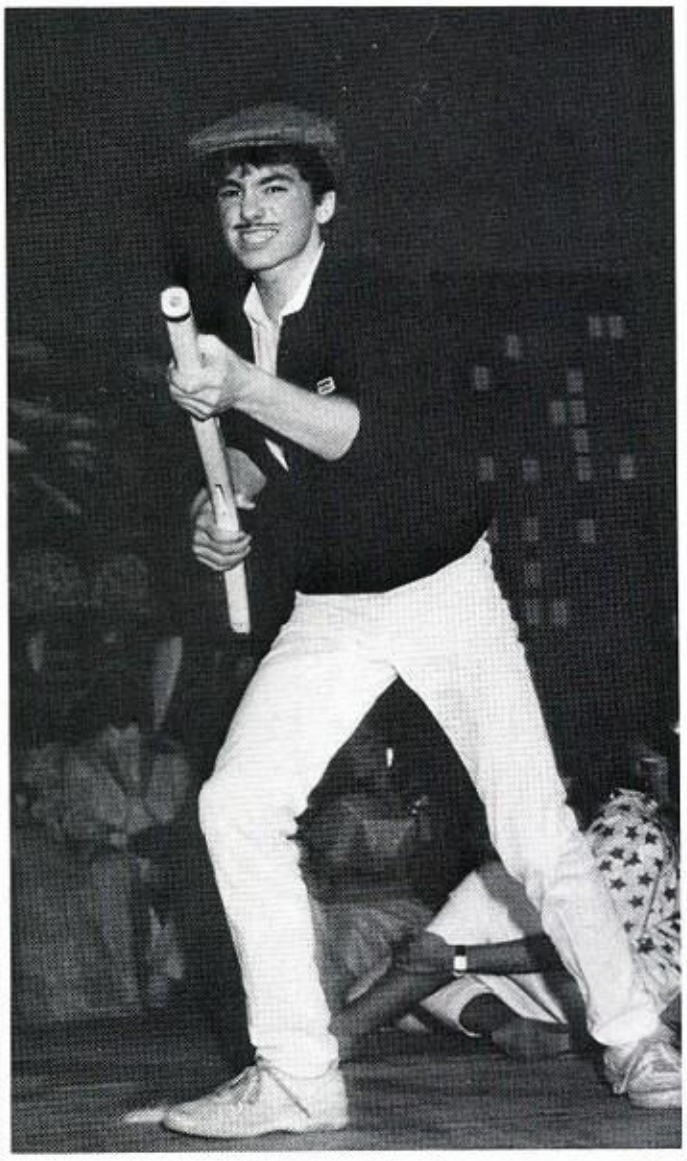




Walt Disney World

Determination, hard work and perseverance: this is the stuff legends are made of. Whether in academics, athletics or the fine arts - it takes long hours to distinguish oneself from the crowd. Many among the class of '88 have worked to set themselves apart. On the sports field, athletes from track, baseball, volleyball, softball, and swimming have brought recognition back to Stoneham. Our class has also produced a crop of artistically talented students. The stage and the canvas both have provided the opportunity for experts in the fine arts to express themselves. These, then are the legends of the class of 1988. They will remain foremost in our minds for many years to come.





Seneca

Trips and outings were always cherished throughout our school years, high school in particular. On Friday, October 17, 1986, Mr. Reed and Ms. Norelli, legends themselves, took their respective English classes for a field trip to Plimouth Plantation. While most tend to forget the Puritan culture we saw, all recall the bus ride home, the squirt guns, and those songs, O those songs.

Another infamous outing was to Battleship Cove, with Mrs. Banulis. Once again, it wasn't the culture, but rather the hide-and-seek game we all remember, especially Denise Swansburg.

Furthermore, the French Club went to Canada in November 1986, while Close-up and Model U.N. made their respective trips each year

Finally, the two most colossal and traditional of all events, for the seniors alone, are the April '88 voyage to Bermuda, and lest we forget, to the ROCKS. The trip to the rocks is a unique tradition which has endured throughout SHS's years, and gives the departing seniors the opportunity to make their final mark on our alma mater.

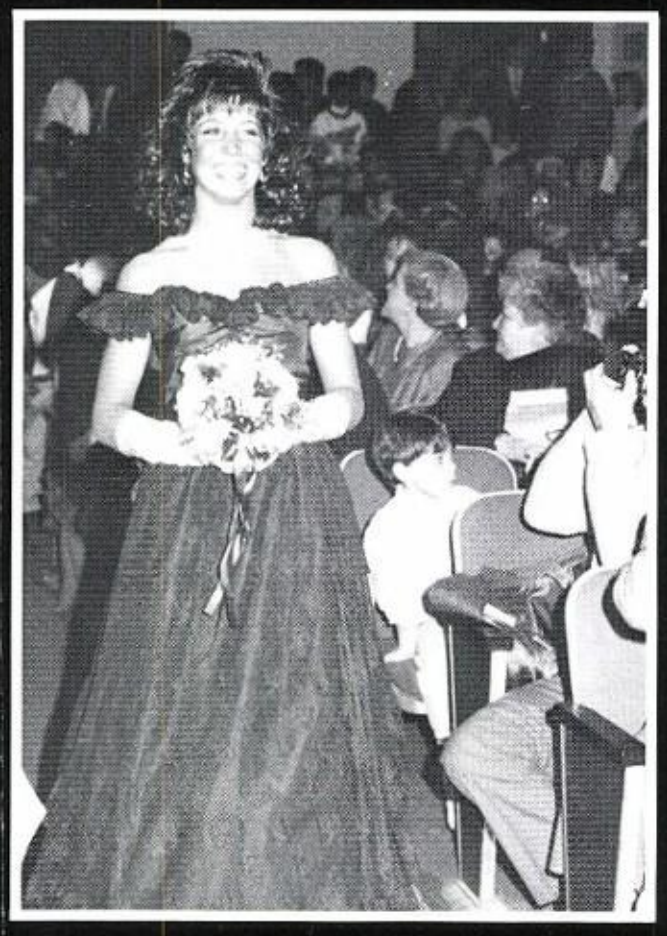
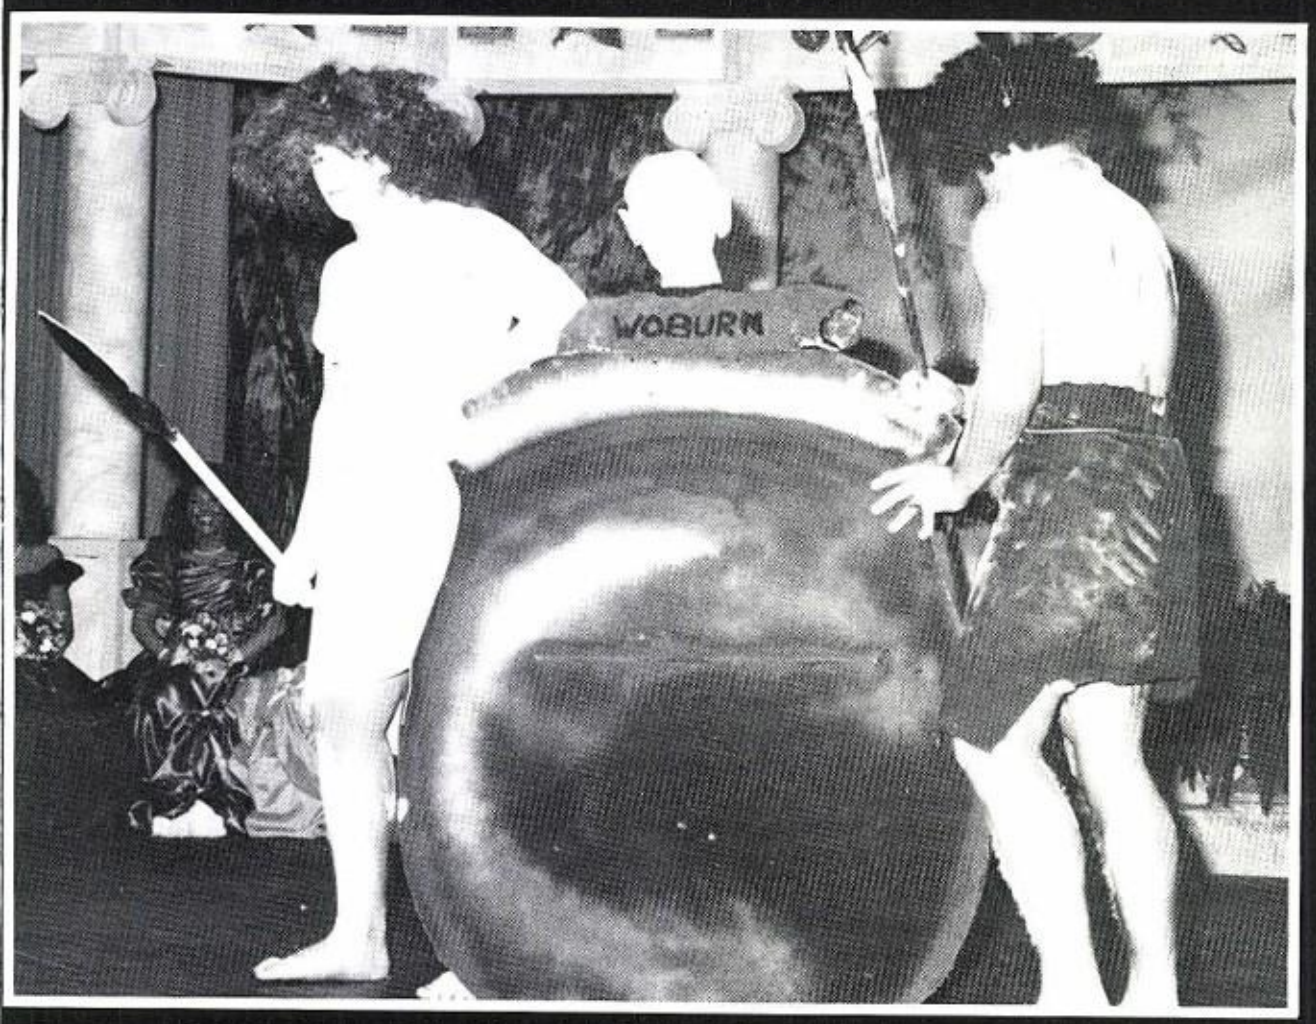
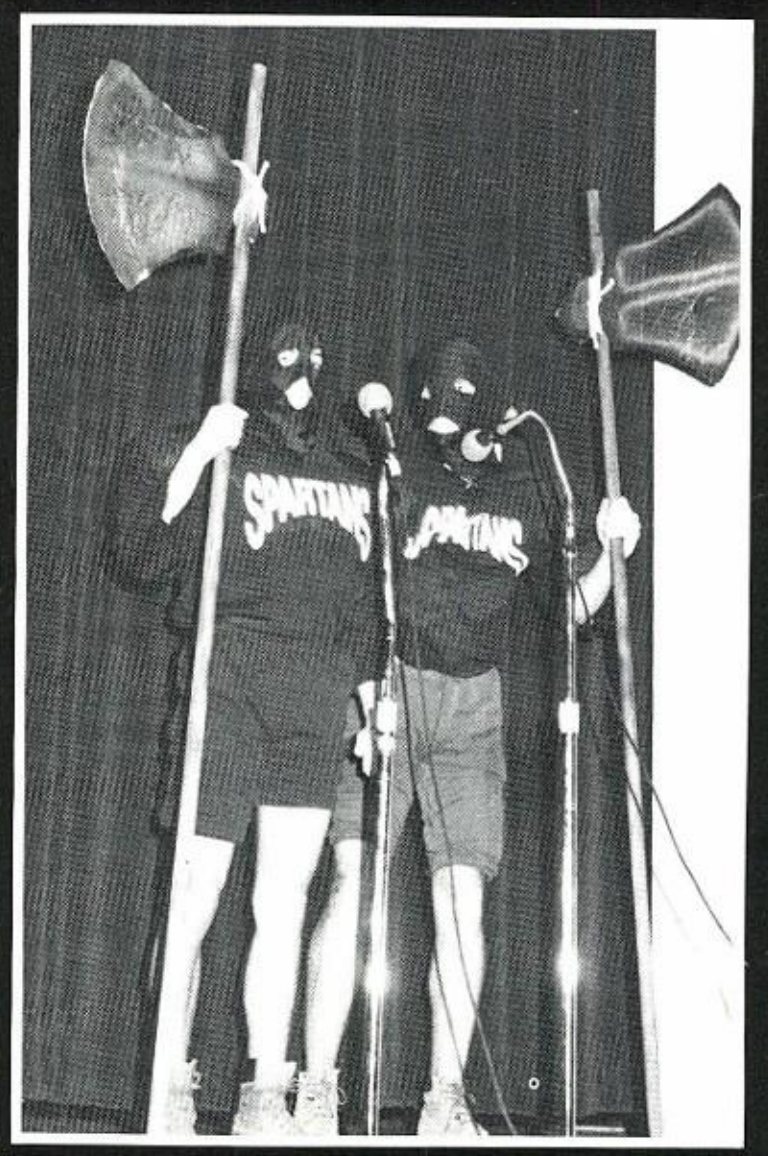
CARNIVAL BALL

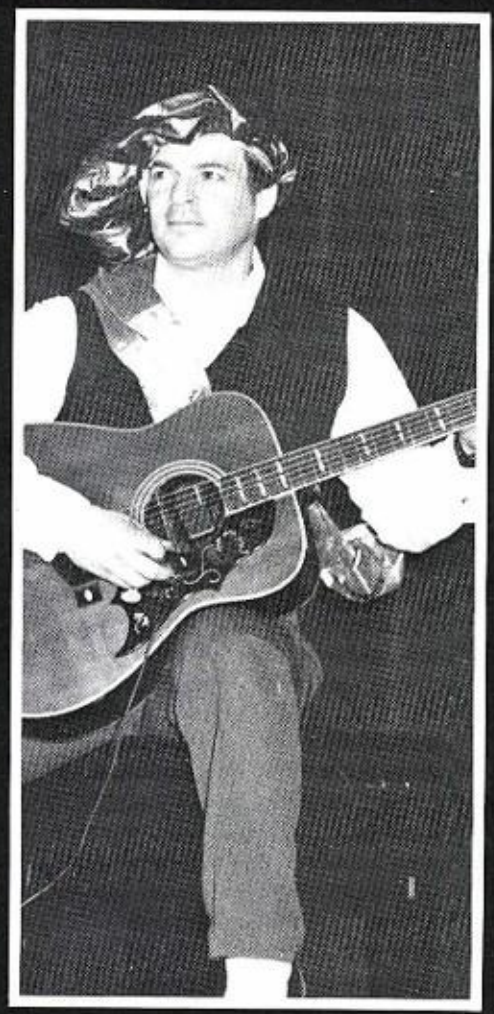


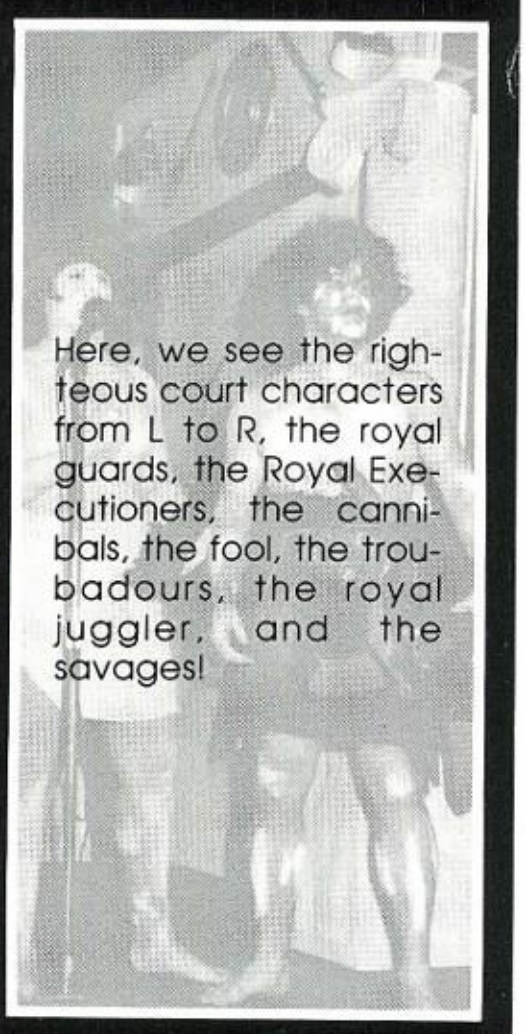
On March 5, 1988 the students of Stoneham High School presented its annual Carnival Ball—The theme this year was "What is a Legend?". Jim Carrino and Dave Scannell, the directors of the festivities, did a tremendous job of directing this presentation of song, dance, drama, and humor. While it adhered to the traditional pageantry of the royal court, the 1988 Carnival Ball introduced the characters, including the Royal Executioners, among others, who provided great humor to the performances.

In respect for SHS tradition the Senior Class held an election for the King, Queen, Attendants and Ushers. Queen Lynne Seeley and King Craig Celli majestically presided over the royal court and the festivities. The attendants as seen above were, from L to R, Carolyn Driscoll, Jill Primo, Melissa Christofi, Janet Dotolo, Jeannie Sarno, Heather Bernat, Danielle Fuligni, Kelly Brown, Susan Belmonte, and Denise Flanagan. The ushers from L to R were, Eric R. Wellmann, John Hanright, Rick Pignone, Robert Rando, Rich Piaseczynski, Larry Russo, Eric Frank, Dave Ellegood, Brian O'Connell, and Joe Vitiello.



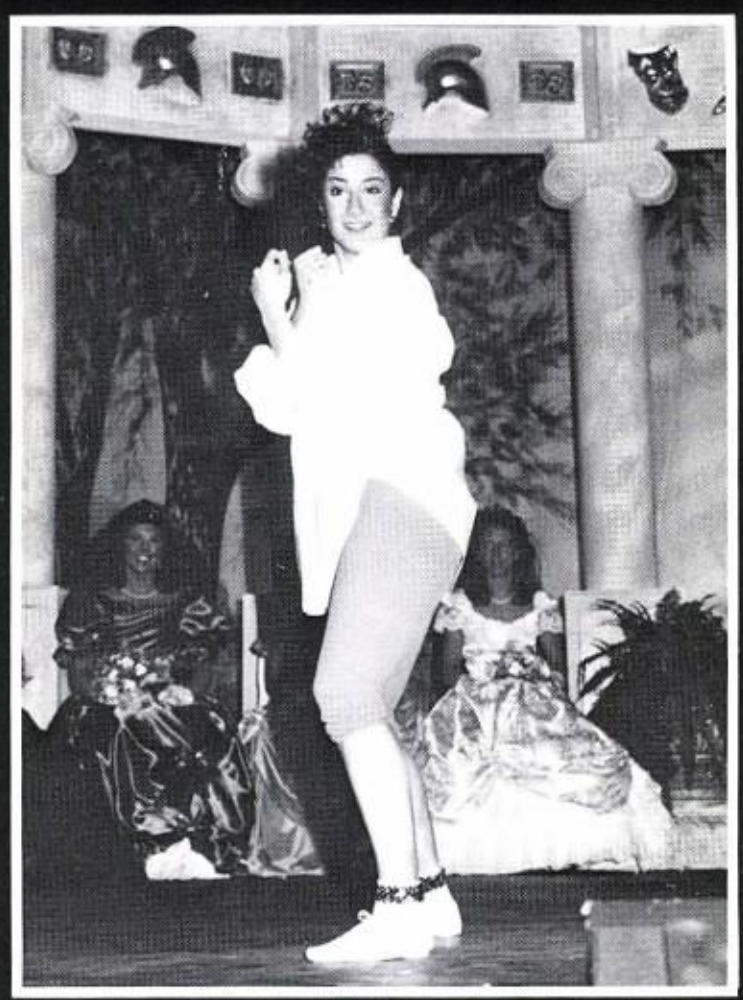


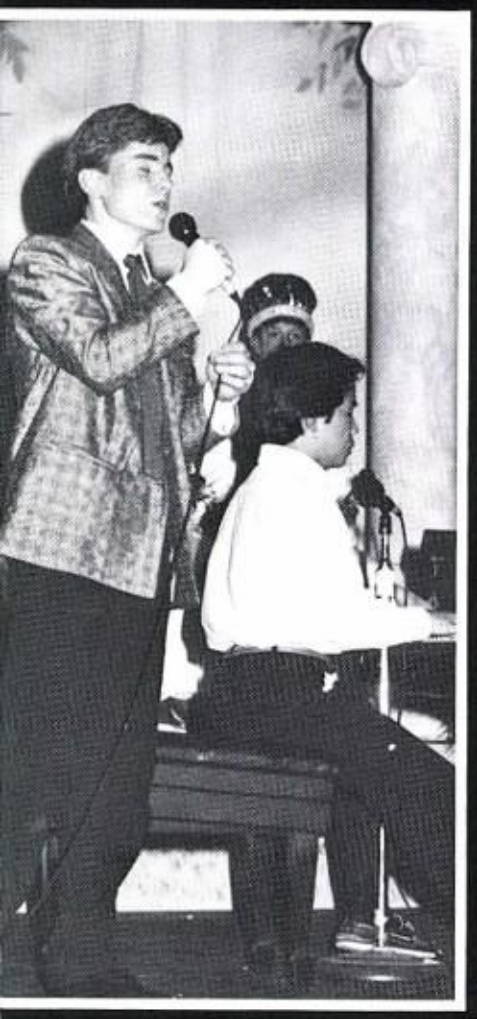




Here, we see the righteous court characters from L to R, the royal guards, the Royal Executioners, the cannibals, the fool, the troubadours, the royal juggler, and the savages!

The dance acts performed at the Carnival Ball were exceptional. The Dance Club once again demonstrated their grace as they danced to the legenday song "Good Lovin". The Royal Waltz was as lovely as ever as Queen Lynne Seeley and King Craig Celli took the stage. Christine Manuel danced to the lyrics of "Star Maker" while Heather Mclean and Tina Woodland added a bit of sun to the stage with their dance to "Surfin U.S.A". Yet, as you can see, NOT ONLY the DANCERS were involved in the dance acts . . . . . .

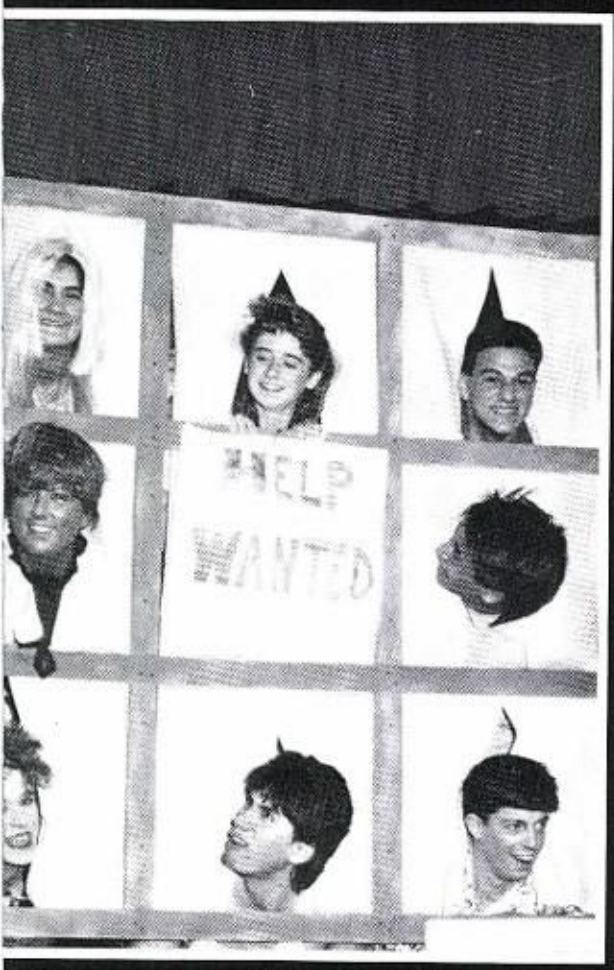


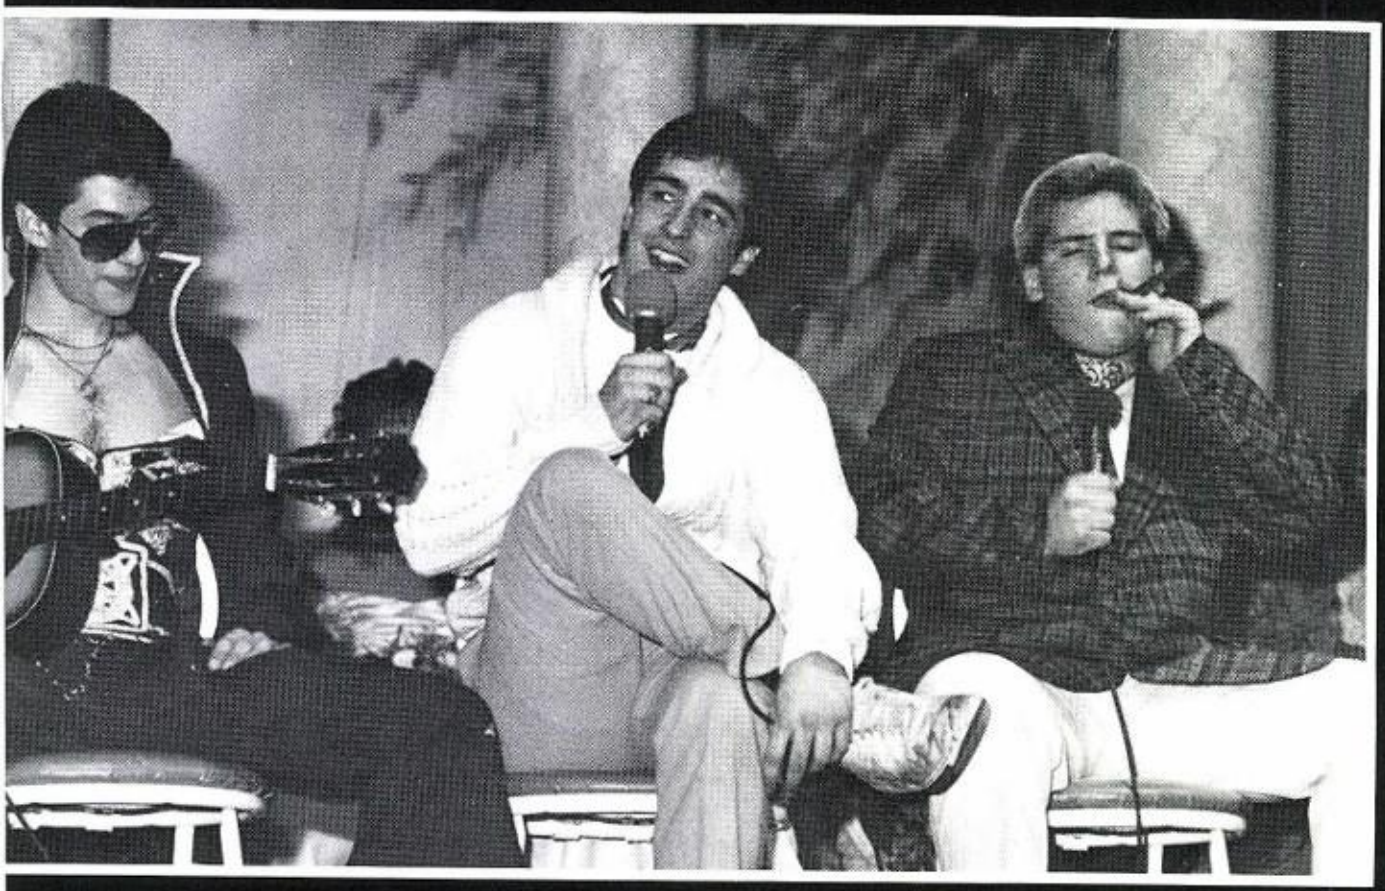


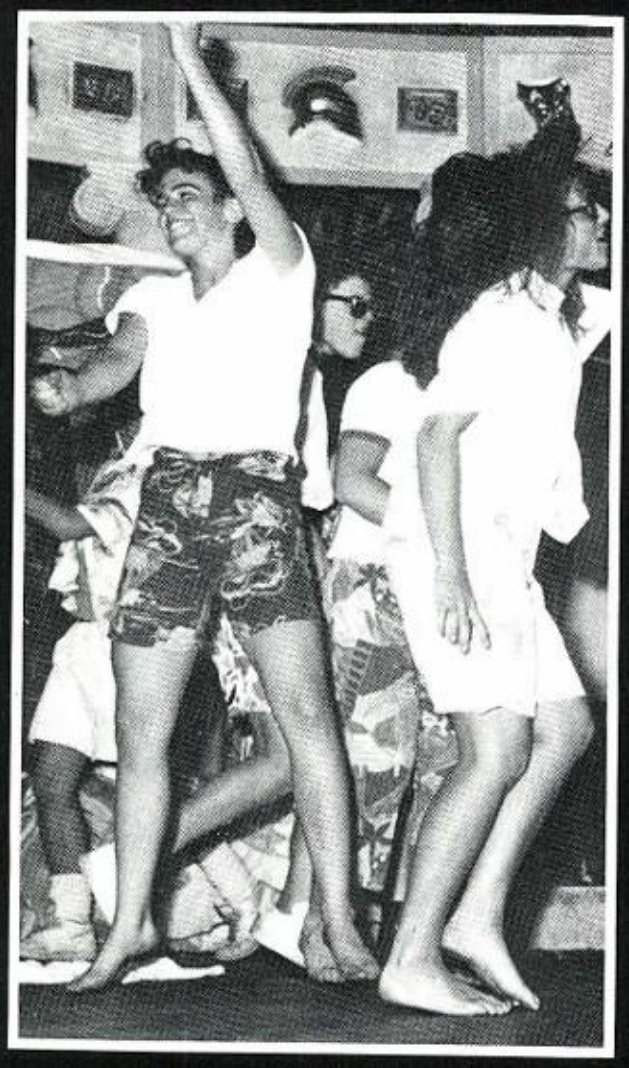
Here Stoneham High's finest musicians display their talents in a variety of styles, from chorale to pop and from classical to good ol' Rock-n-Roll!

MUSICAL PERFORMERS

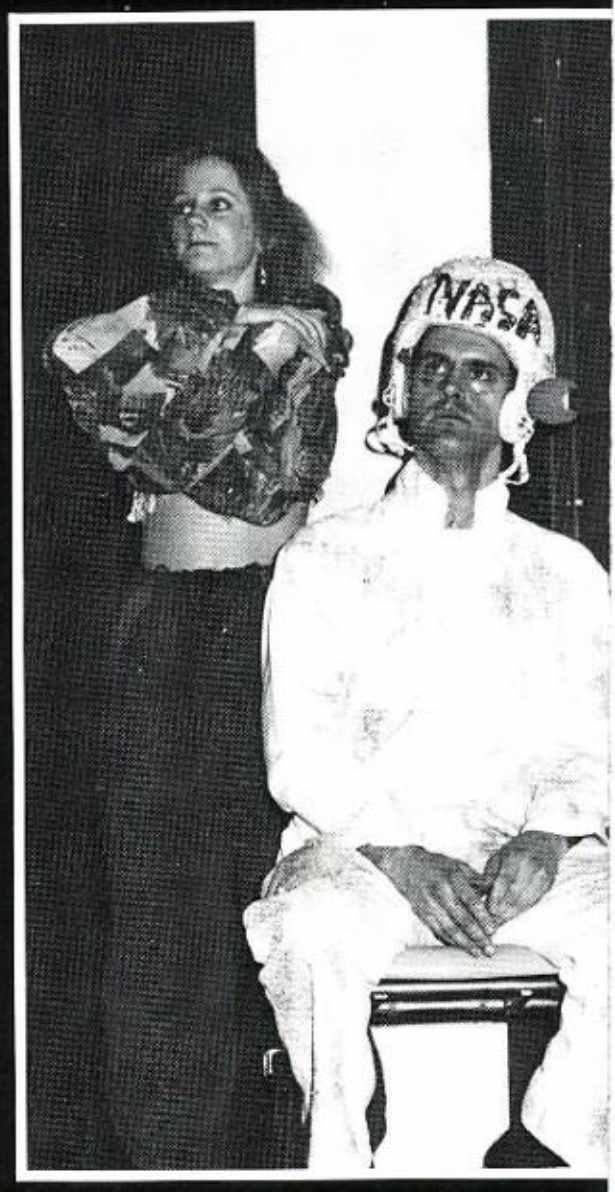
Here, the Freshmen, Juniors, and Seniors, displayed a medely of Legendary acts, the "Brady Bunch", the "Dating Game" and the classic







Freshman class Act. Overall, the 1988 Carnival Ball proved to be truly classic, truly legendary!



Above, the "never-before-seen faculty class act" adds what they and all of us can call humor. Additionally, the Freshman act, just above, was an "act of greatness" while at right, the Sophomores presented "Dexterity" in their performance.

1988 DRAMA FESTIVAL

THE LIGHT IN THE MILL

This year the Drama Club participated in the Massachusetts Drama Festival, making it all the way to the semi-finals. Directed by Mr. Bill Endslow, they performed a one act play written by D.K. Oklahoma entitled "The light in the mill" about the tragic death of a Lowell mill girl. They won numerous awards including: excellence in set crew, excellence in props, and five individual all-star cast awards. The cast included seniors Elise Danico, Kathleen Doyle, and Daniel Ledwith.

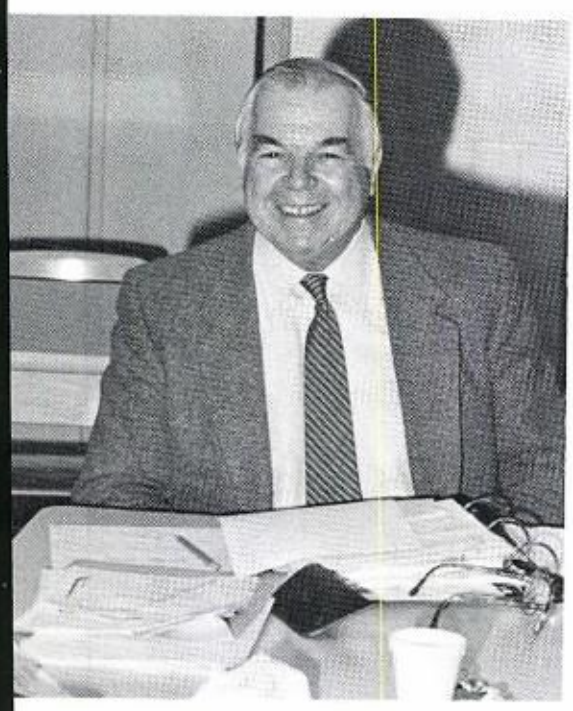
IN RECOGNITION OF:

I want to thank the yearbook staff for their cooperation, hard work, and input that made this book so unique. I also want to thank the faculty and administration for their support. Last but not least, I want to thank my fellow classmates. I have had a terrific four years at Stoneham High School.

Sincerely
Ken Foley

P.S. I hope you treasure this book as much as I do.

Frank R. Matarese



John H. Fawcett

I am grateful to the 1988 Yearbook staff for the opportunity to recognize two educators who have shaped what is today the Stoneham Public Schools. Some legends find their places in history books; others, like John Fawcett and Frank Matarese, earn places forever in our hearts.

John H. Fawcett

John H. Fawcett, Director of Physical Education and Athletics, retired in August, 1987, after thirty-four years of exceptional service. Legendary in Stoneham, the Middlesex League, and the Commonwealth, Mr. Fawcett guided the School System into the modern era in athletics and physical education with immense integrity and success.

Frank R. Matarese

Frank R. Matarese, Superintendent of Schools, retired on July 1, 1987, completing thirty-one years of excellence as a teacher, coach, and administrator. Influencing virtually every aspect of the School System as it exists, Mr. Matarese's contributions to three decades of Stoneham students are immeasurable.

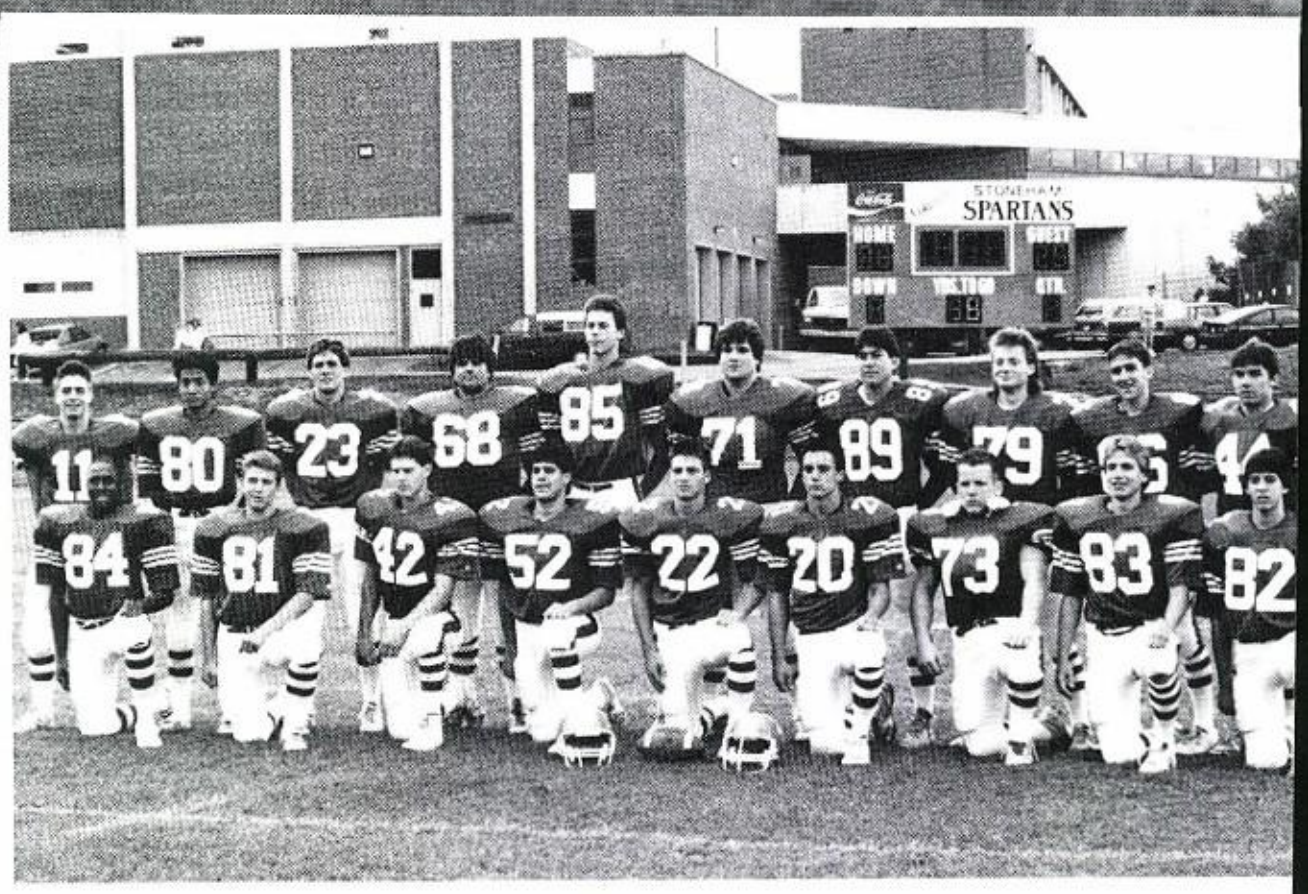
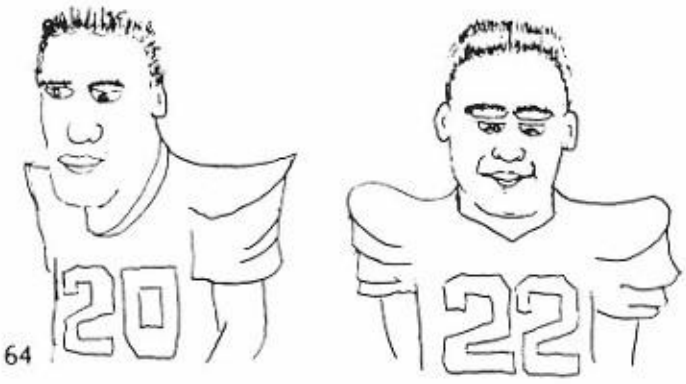
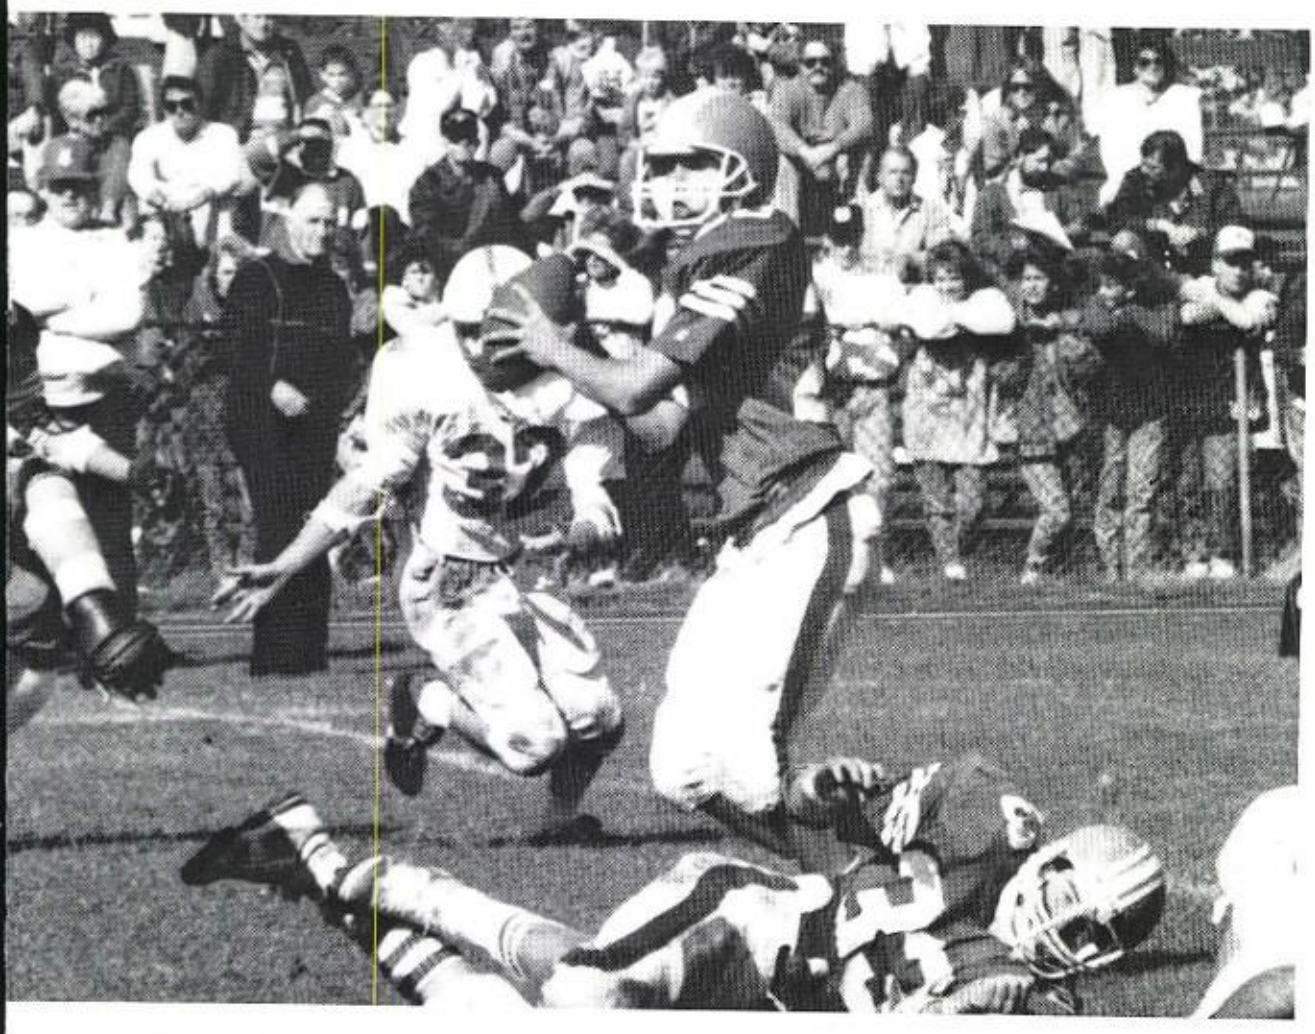
FOOTBALL

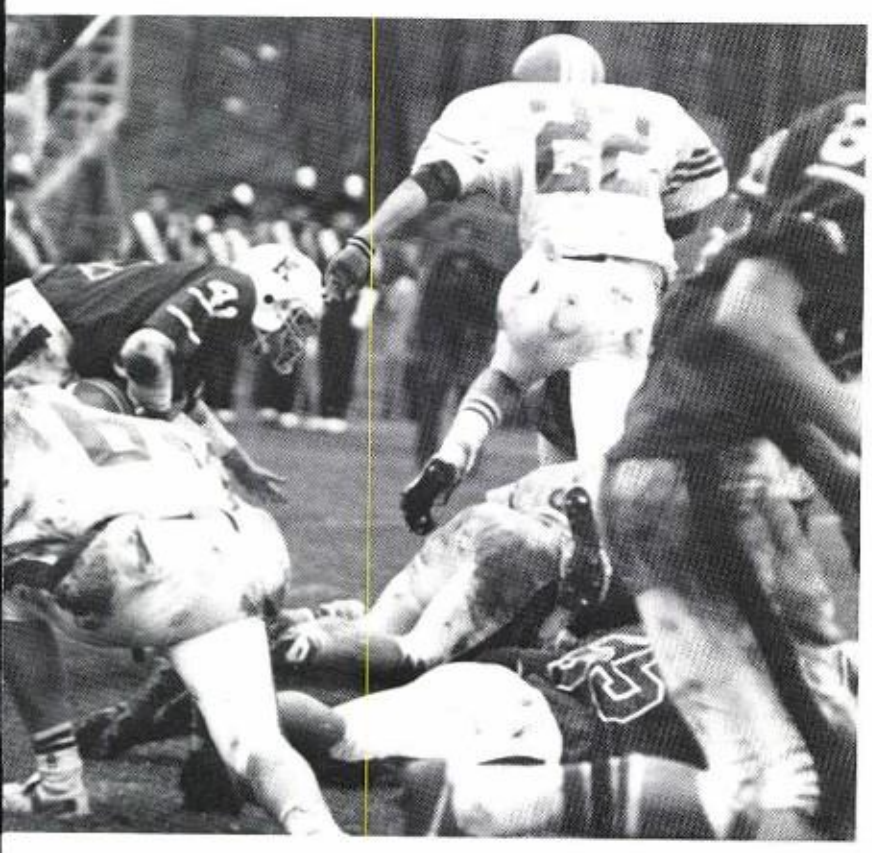
Row 1: (l to r) Rogers Lockhart, John Carciero, Brian O'Connell, Chris Messina, Co - Captain Rick Pignone, Co-Captain Rob Ferraro, Don Ferguson, Dave Ellegood, Eric Frank Row 2: John MacNeill, Simon Liu, Mark Hegarty, Pete D'Angelo, Miles Beccia, Bill Bird, Mark Tortorici, Mike Rotondi, Mike Collins, Rich Piaseczynski

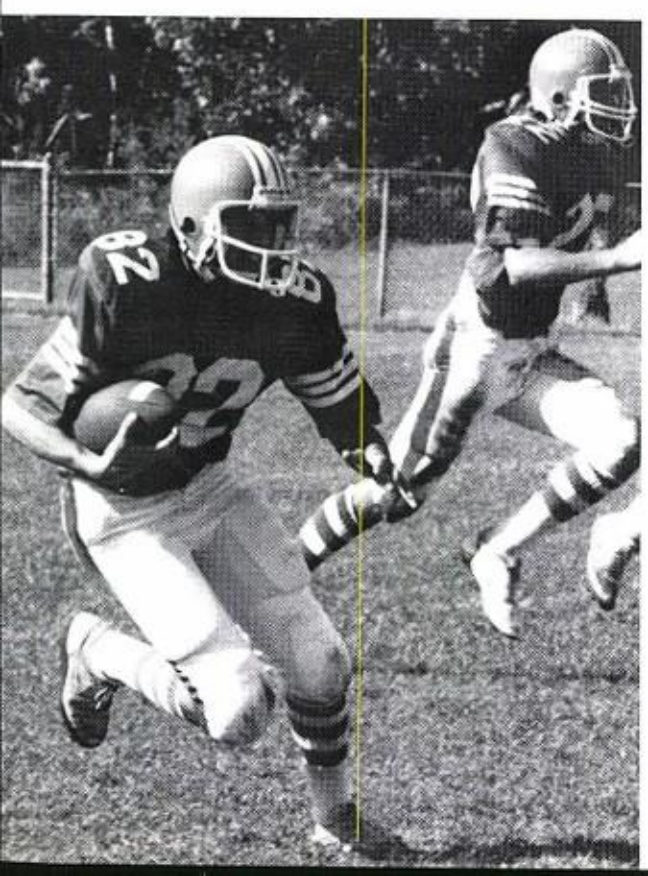


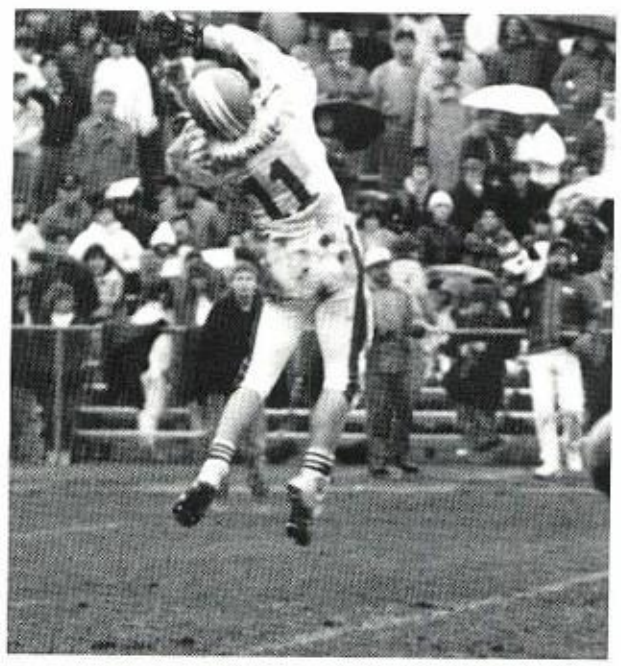




The 1987 Spartan football season was played with frustration. This team, unlike last year's team, was very young and lacking in size. The final record of 2-8 is not a accurate evaluation of the Spartans season nor is it of the effort put in by them. The team gained great respect as they challenged top teams in the strong Middlesex League. This young team played with intensity and heart as three of the top four teams in the league barely beat the spartans in the closing minutes of the game. League All-star was awarded to Capt. Rob Ferraro while Dave Ellegood, Bill Bird, and Capt. Rick Pignone were awarded Honorable Mention. The players gave 100% in every battle and know what it is like to be a "Spartan".

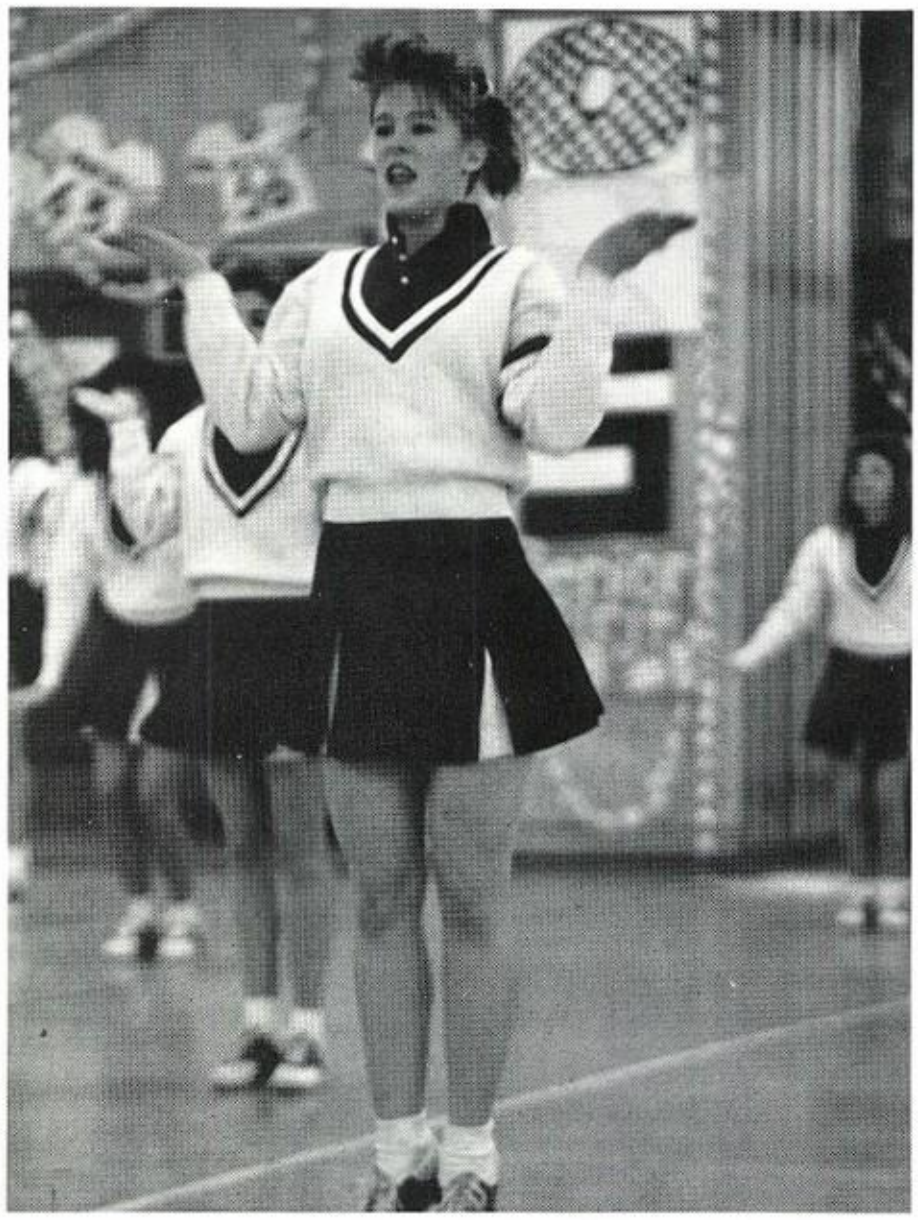


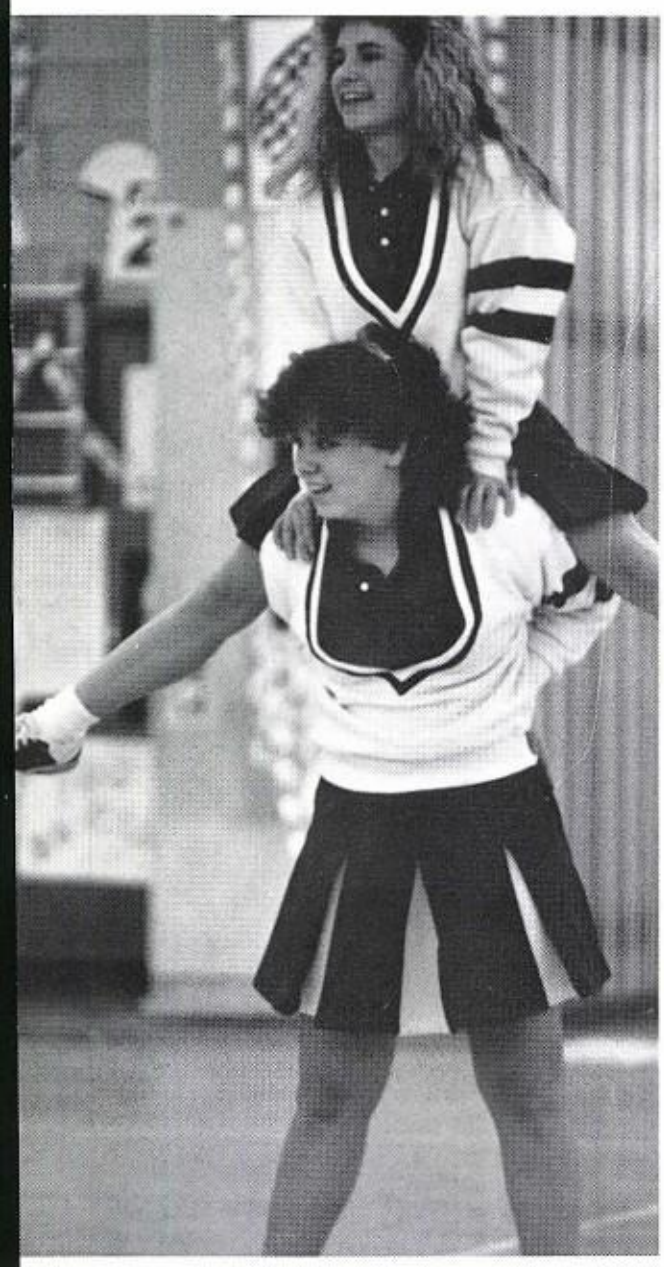


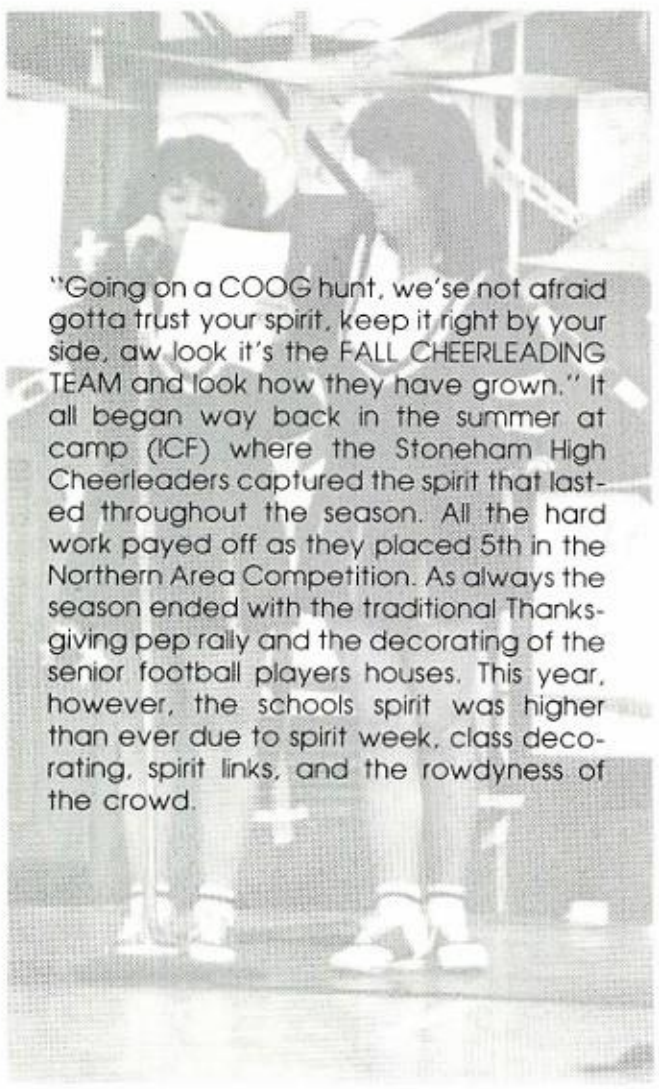


FALL CHEERLEADING

First Row (L to R): Karen Riccardelli, Co-Capts. Courtney Cameron and Cheryl Deflumeri, Sharon Doe Row 2: Sharleen O'Donnell, Tara Campagna, Julie Pelligrino, Paula Walsh, Cathy Angelosanto Row 3: Rochelle Pettengill, Debbie Dango, Alicia Donnelly, Denise Swansburg, Patti MacKay, Coach Christine Palozzi







"Going on a COOG hunt, we'se not afraid gotta trust your spirit, keep it right by your side, aw look it's the FALL CHEERLEADING TEAM and look how they have grown." It all began way back in the summer at camp (ICF) where the Stoneham High Cheerleaders captured the spirit that lasted throughout the season. All the hard work payed off as they placed 5th in the Northern Area Competition. As always the season ended with the traditional Thanksgiving pep rally and the decorating of the senior football players houses. This year, however, the schools spirit was higher than ever due to spirit week, class decorating, spirit links, and the rowdyness of the crowd.

SOCCER

Row 1: Captains H. Mabuchi, K. Hession Row 2: Coach Boyle, T. Beaver, R. Rando, C. Quigley, J. Haley, E. Wellmann, D. Benazzo, S. McCarthy, A. Chyung, P. Henrickson, M. Powers, R. Zuk, R. Sicariello, M. Benazzo, C. Pagliccia, J. McDonnell, Coach Carino

This season had its fair share of ups and downs. There's no hiding our record of 0-18, which was definitely a down. The thrilling excitement and heartbreak of our 3-2 "loss" to Watertown was, however, the experience of a high-school career. Any one of the seniors can attest to the fact that this year's team was the most tightly-knit varsity squad in years, and the team spirit remained well and alive even until the last game of the season. Individually, three players were able to achieve a degree of distinction as Co - Captains, Hideo Mabuchi and Keith Hession, and Shawn McCarthy were voted to the Middlesex League second - string all - league team. Best Wishes to the returning players for a successful season in 1988.

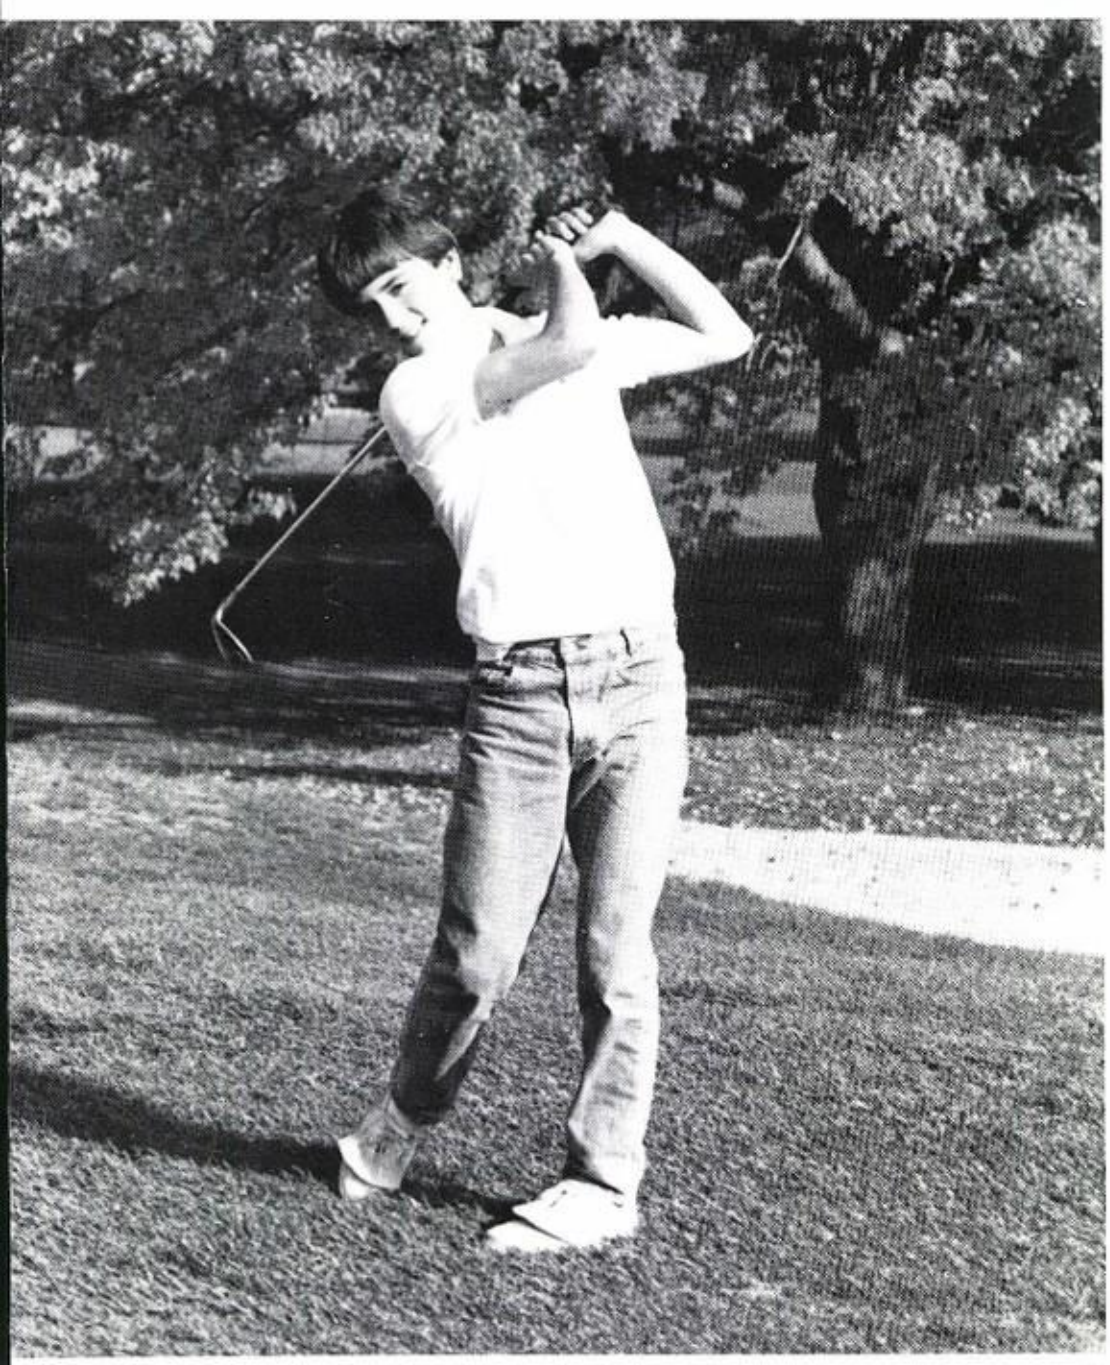
FIELD HOCKEY

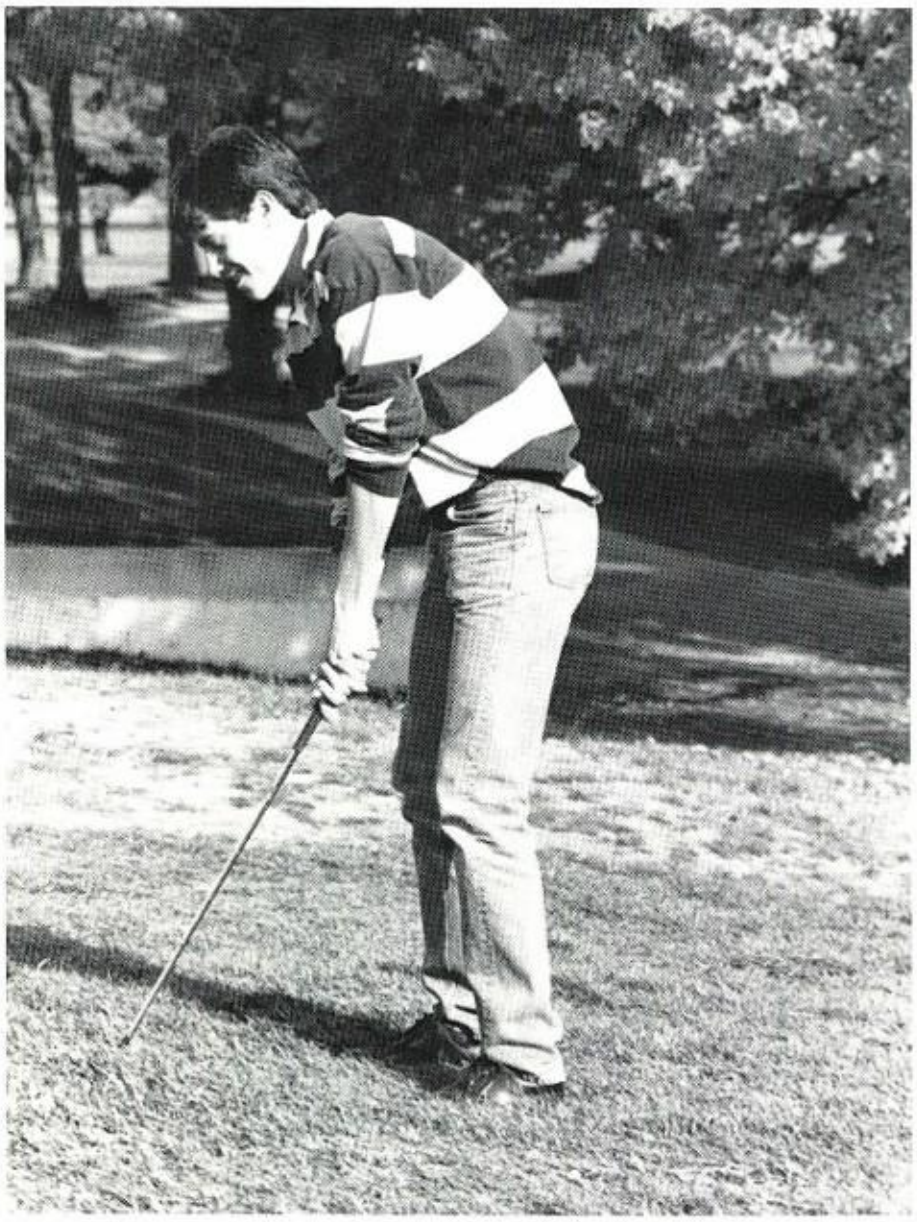
Row 1: (l to r) Co-Captains Melissa Christofi and Mary Ann Forbes Row 2: Lorraine Fantasia, Kristin Merrikanto, Colleen Hugo, Kristen Cutone, Heather Bernat, Elenor Geary, Susan Galis Row 3: Coach Christine Simpson, Margret Geary, Laura Stuto, Kerry Harrington, Lisa Simonette, Carolyn Carr, Roseann Conti, Marlena D'Agostino, Missy Sanella, Coach Cynthia Carbone.

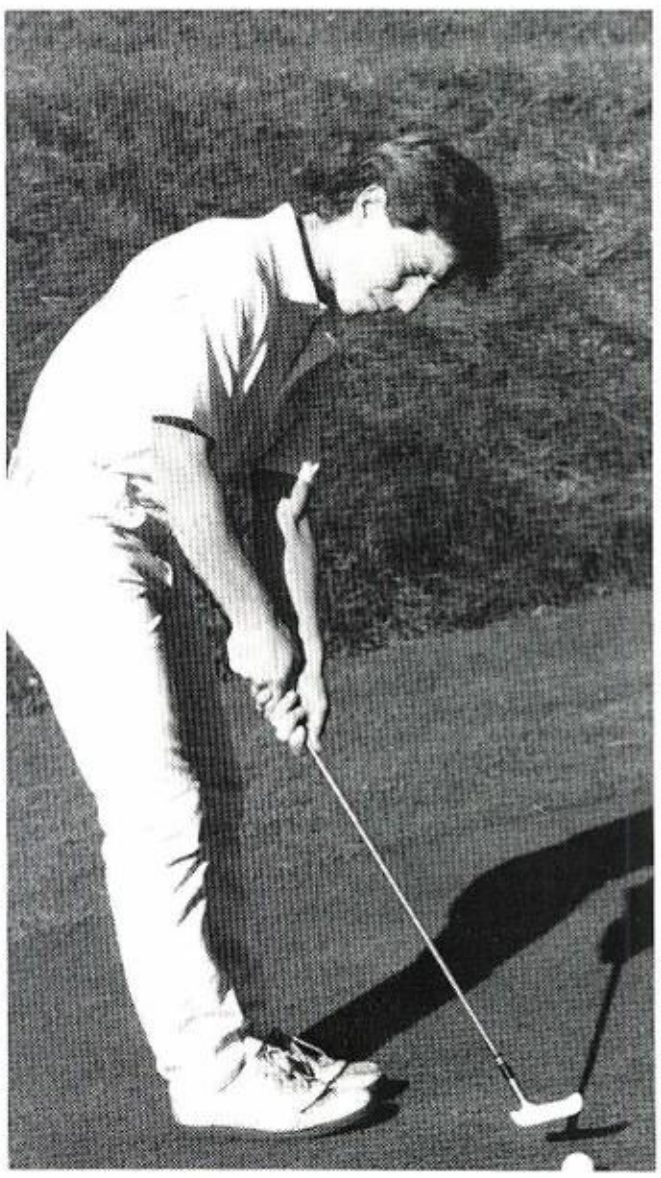
The 1987 Field Hockey team had a season full of both successes and heartaches. At the start of the season, the number of injuries on the team hindered their performance, but, fortunately, they pulled through with a long string of ties and remained strong contenders in the highly competitive Middlesex League. Under the excellent coaching of Ms. Cynthia Carbone and the leadership of Co-Captains Maryann Forbes and Melissa Christofi, the team finished the season with a respectable record of 7-5-6. A two-point dificit stopped the girls from reentering the State Tournament, but their unending dedication and desire throughout the season paved the road for future field hockey successes. Post season honors were awarded to Co-Captain Melissa Christofi as she was selected to the Middlesex League All-Star Team, and to Colleen Hugo for receiving an Honorable Mention. Also, Maryann Forbes finished the season with an exceptional record as she had the top percentage for saves in the league. Special thanks to Coach Carbone for her help and support, and best of luck to the "HOUSES" for a winning season next year!

GOLF

Front Row: (Left to Right) Jim Simpson, Mark Swan, Capt. Steve Murphy, Derek Abruzzese, Craig Celli. Back Row: Glenn Seabury, Matt Cann, Joe Murphy, Craig Seabury, Dave Tropeano, Coach Bill Seabury.



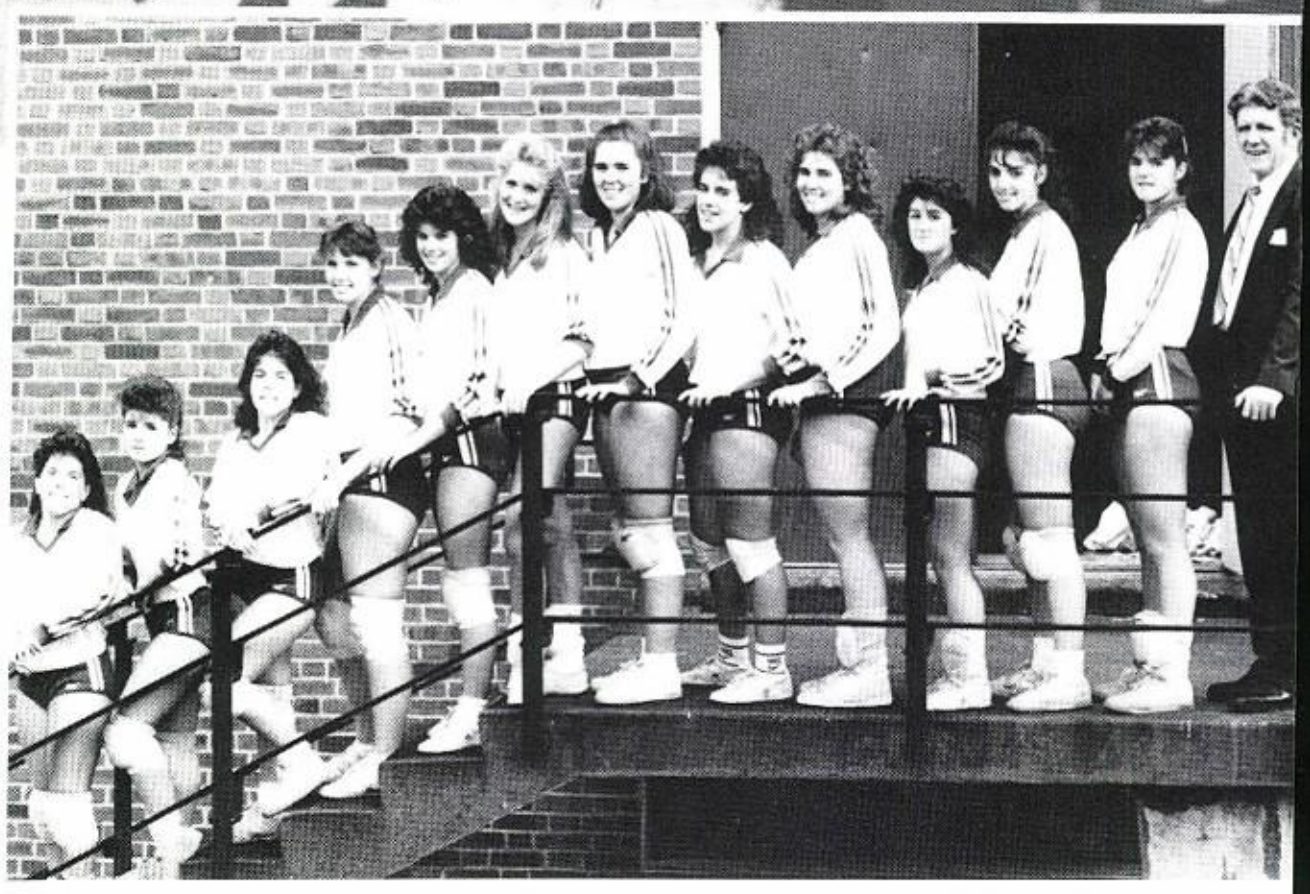


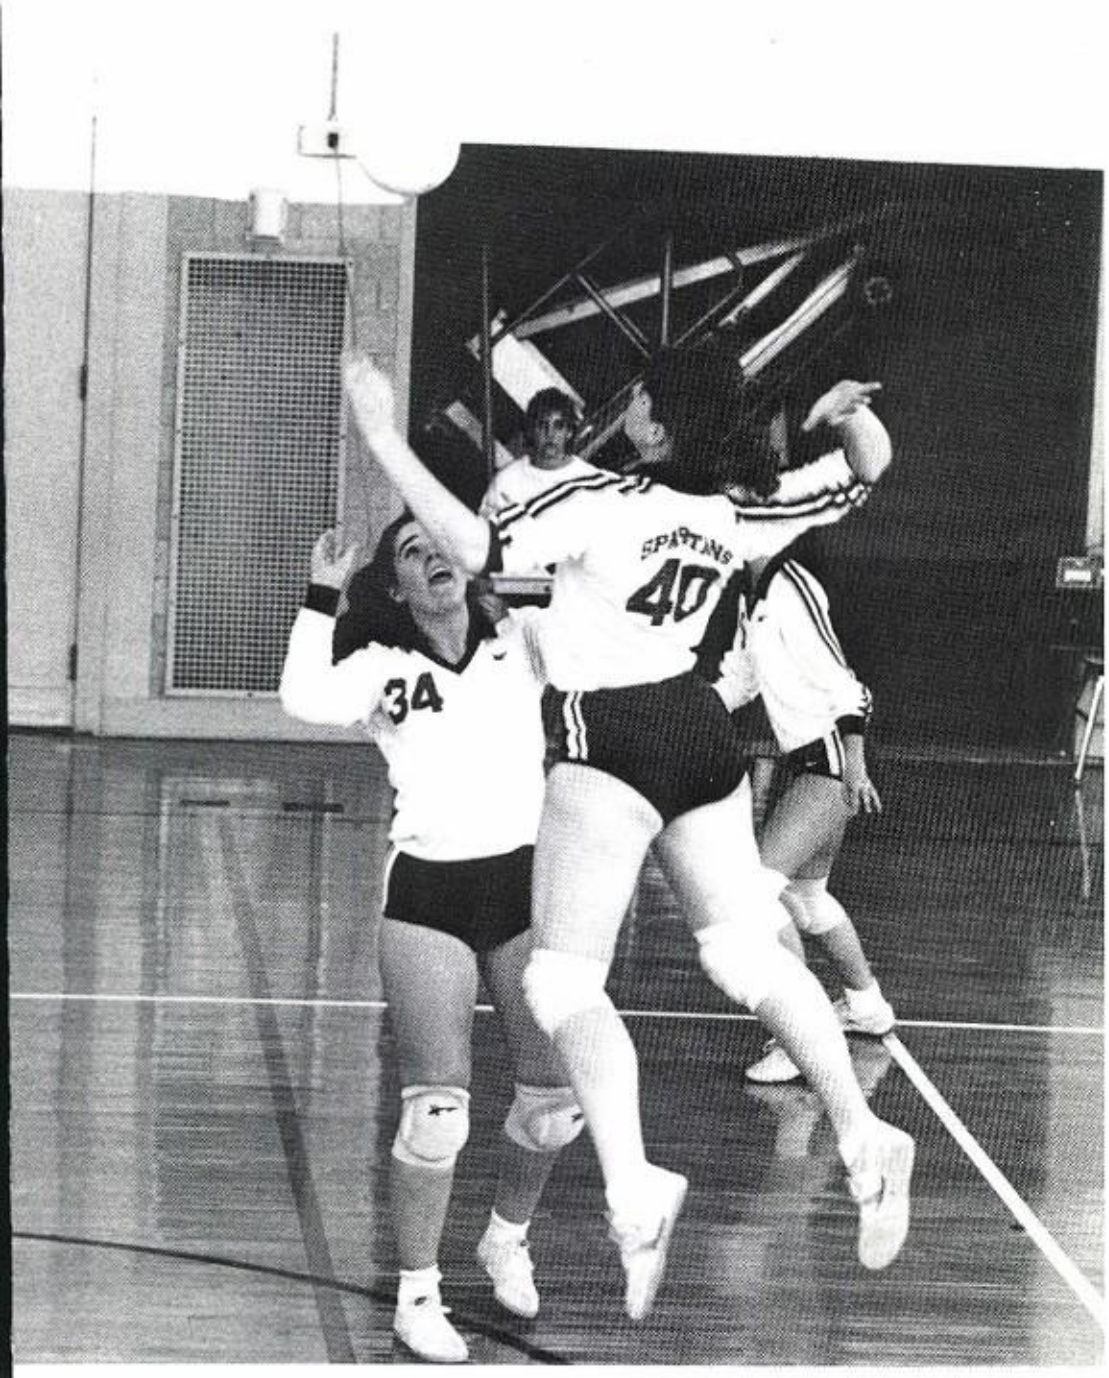


The Spartan Golfers dominated the Middlesex League this year, as they captured the league title with an unblemished record of 9-0. The team successfully clinched its second championship in three years. Coming into the season, ranked second behind Melrose, the Spartans overpowered nearly all their opponents, with only Melrose and Belmont posing a threat. It was the Spartans' experience under pressure that enabled them to "come through in the clutch." This group was held together with a strong sense of team unity, which included a mixture of pleasure and dedication. Post-season honors were awarded to Capt. Steve Murphy and Glenn Seabury, as they were selected to the Middlesex League All-Star Team. Also receiving recognition was Craig Seabury, as he was awarded an Honorable Mention to the All-Star team. The Seniors would like to wish next year's team the best of luck. Many thanks to Coach Bill Seabury, for making the team's success possible.

VOLLEYBALL

(Left to Right): Linette Kelley, Lisa Gebhard, Lori Kelley, Heather Collins, Karen MacKay, Kathy Keegan, Christine Carr, Amy Belmont, Kelly Carr, Becky Tramontozzi, Barbara Fabiano, Capt. Rachel Fabiano, and Coach Cody

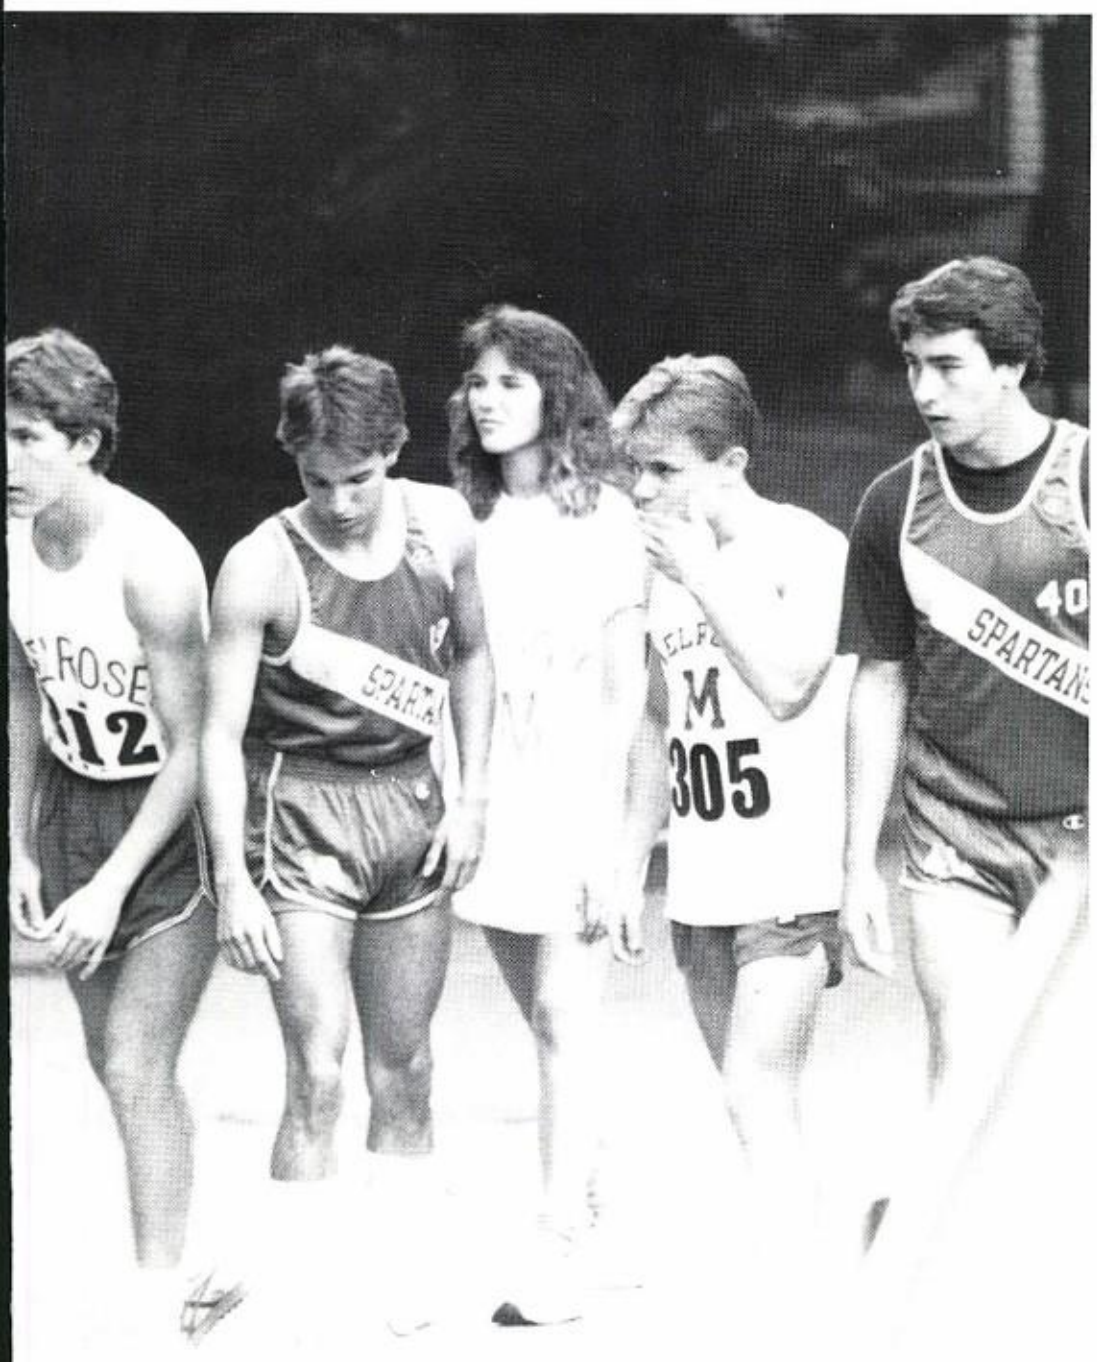


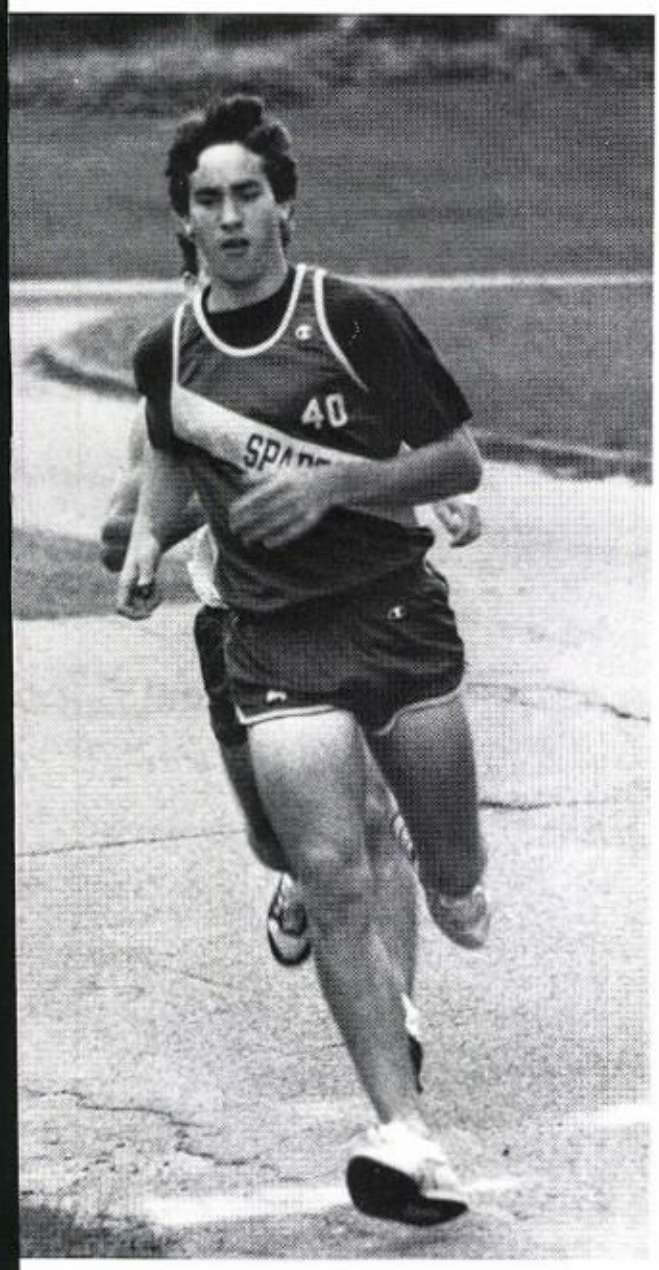


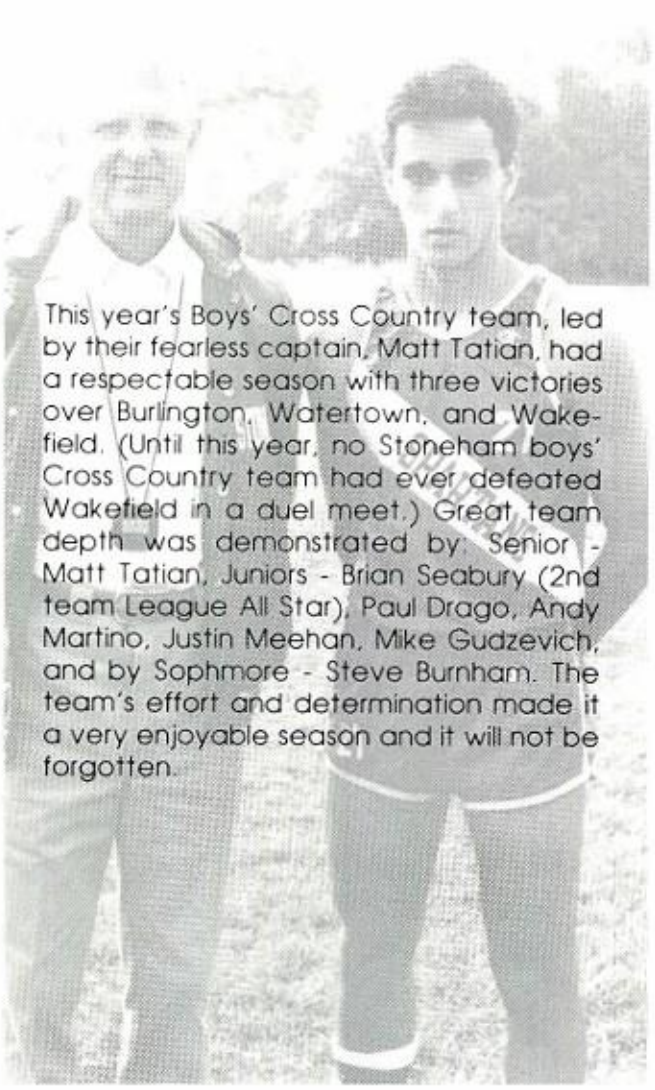
Coach Cody, in his first year as coach at Stoneham, led the girls' volleyball team to the State Finals. The team proved to be extremely strong and competitive throughout the season, demonstrated by their dominating record of 20 wins and 2 loses. With three sets of sisters, the team is very much like a family. A majority of the team members were awarded league honors at the end of the season. League All-Stars were Captain, Rachel Fabiano, Heather Collins, Kelley and Christine Carr and Linette and Lori Kelley, while Rachel Fabiano and Kelley Carr also received Globe All-Scholastic. With the vast number of players returning and the skillful coaching of Coach Cody, the legend of Stoneham Volleyball will continue.

CROSS COUNTRY

Row 1: (l to r) Steve Burnham, Justin Meehan, Mike Gudzevich, Andy Martino Row 2: Coach Wayne Fillback, Eric Sheehan, Captain Matt Tatian, Pat McCabe, Paul Drago, Brian Seabury



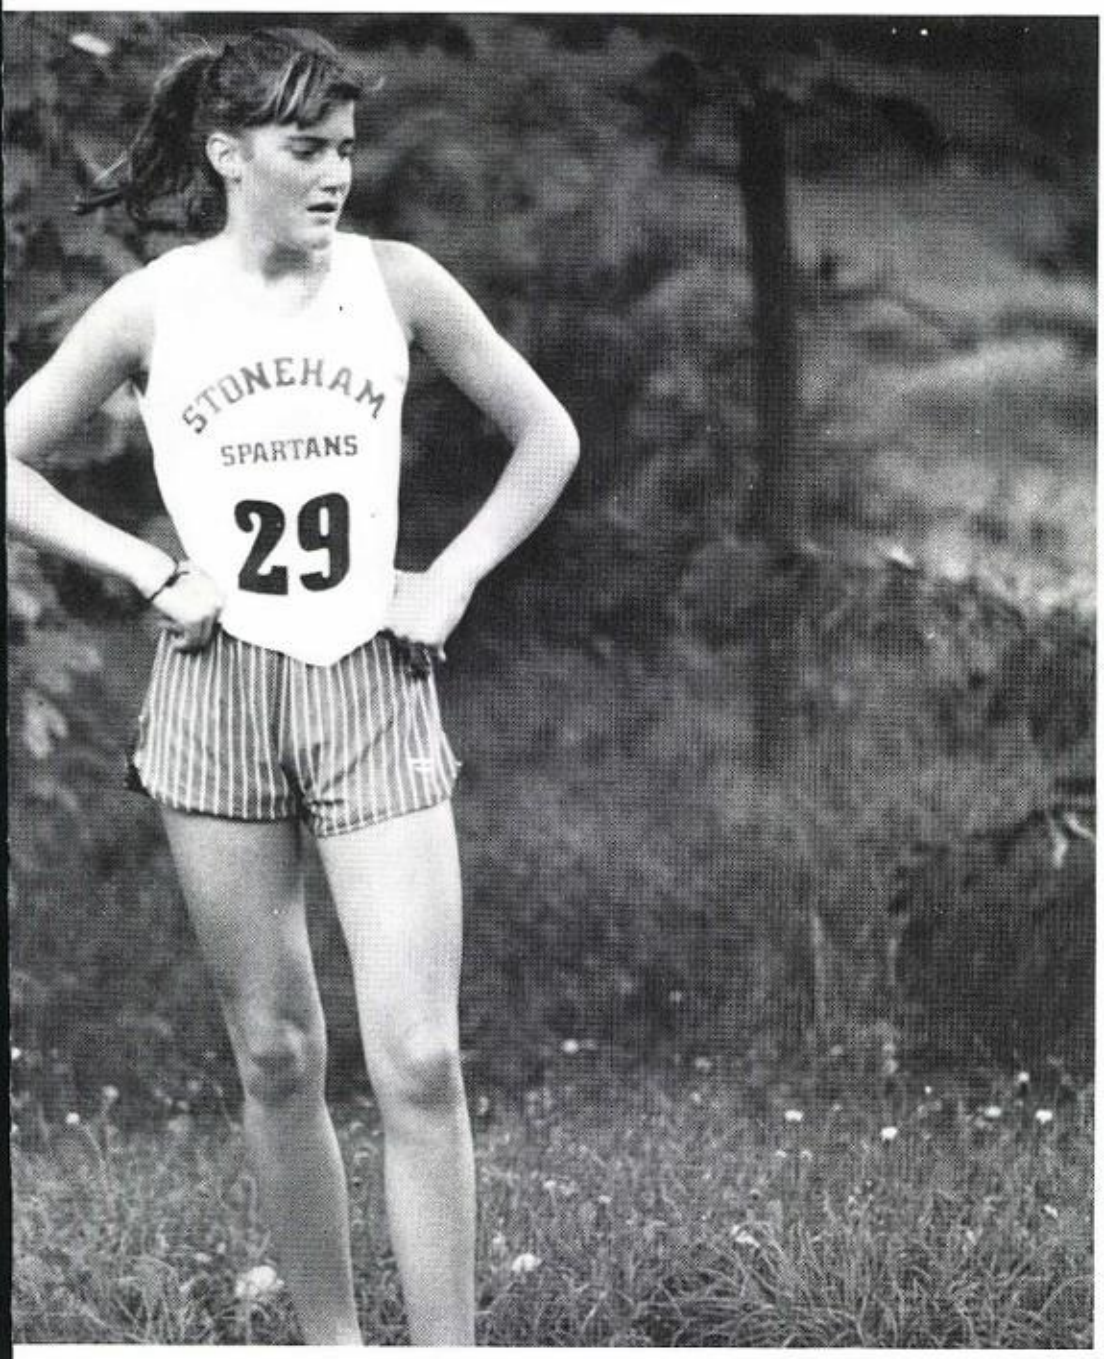


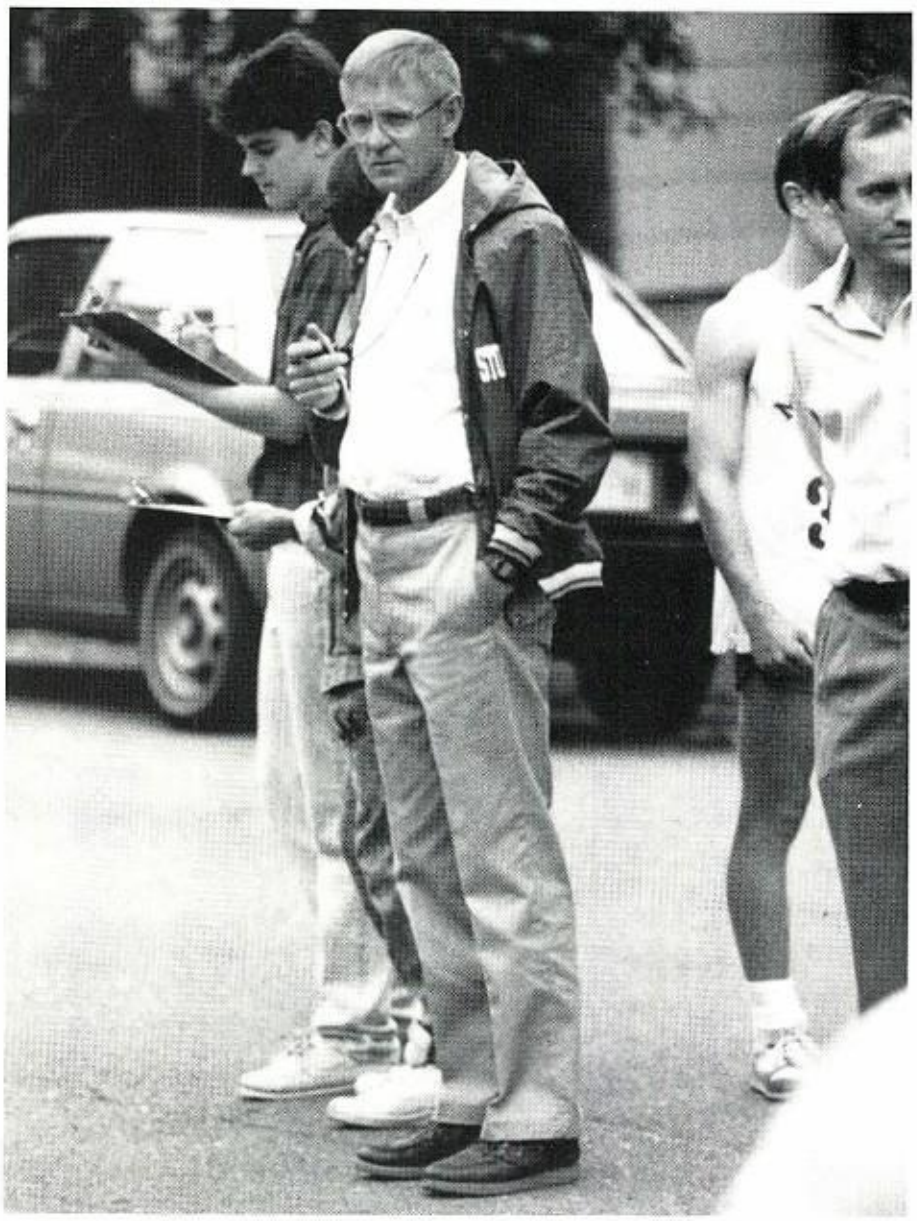


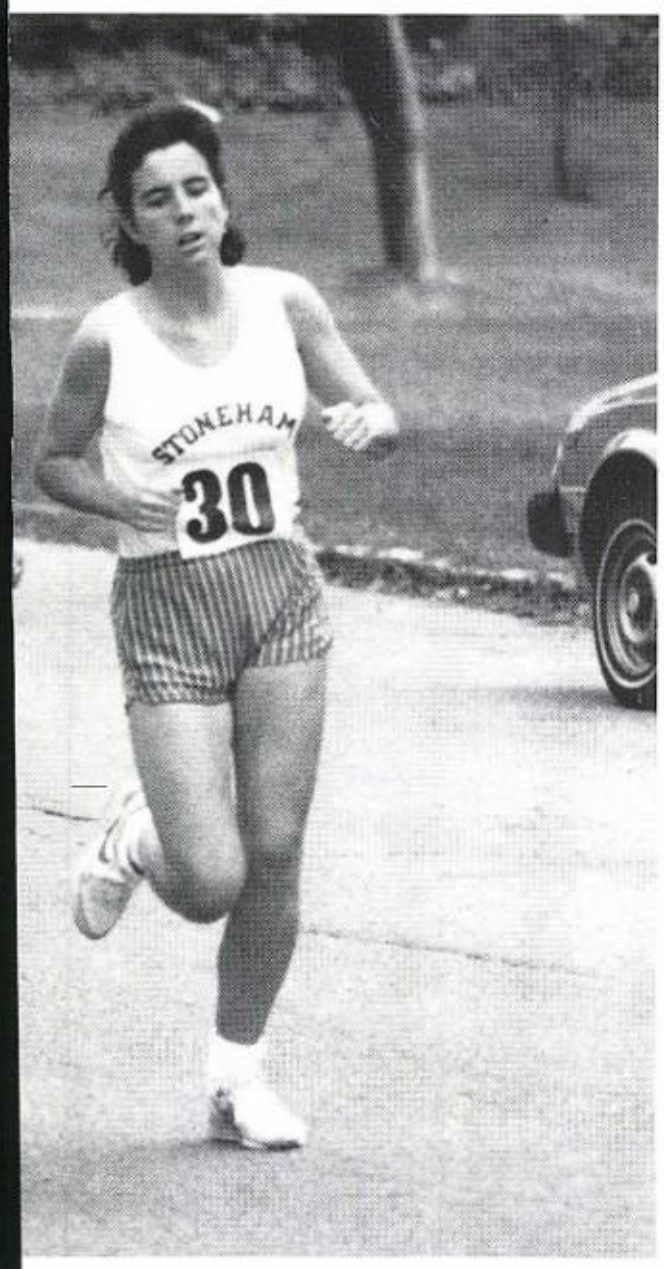
This year's Boys' Cross Country team, led by their fearless captain, Matt Tatian, had a respectable season with three victories over Burlington, Watertown, and Wakefield. (Until this year, no Stoneham boys' Cross Country team had ever defeated Wakefield in a duel meet.) Great team depth was demonstrated by Senior - Matt Tatian, Juniors - Brian Seabury (2nd team League All Star), Paul Drago, Andy Martino, Justin Meehan, Mike Gudzevich, and by Sophmore - Steve Burnham. The team's effort and determination made it a very enjoyable season and it will not be forgotten.

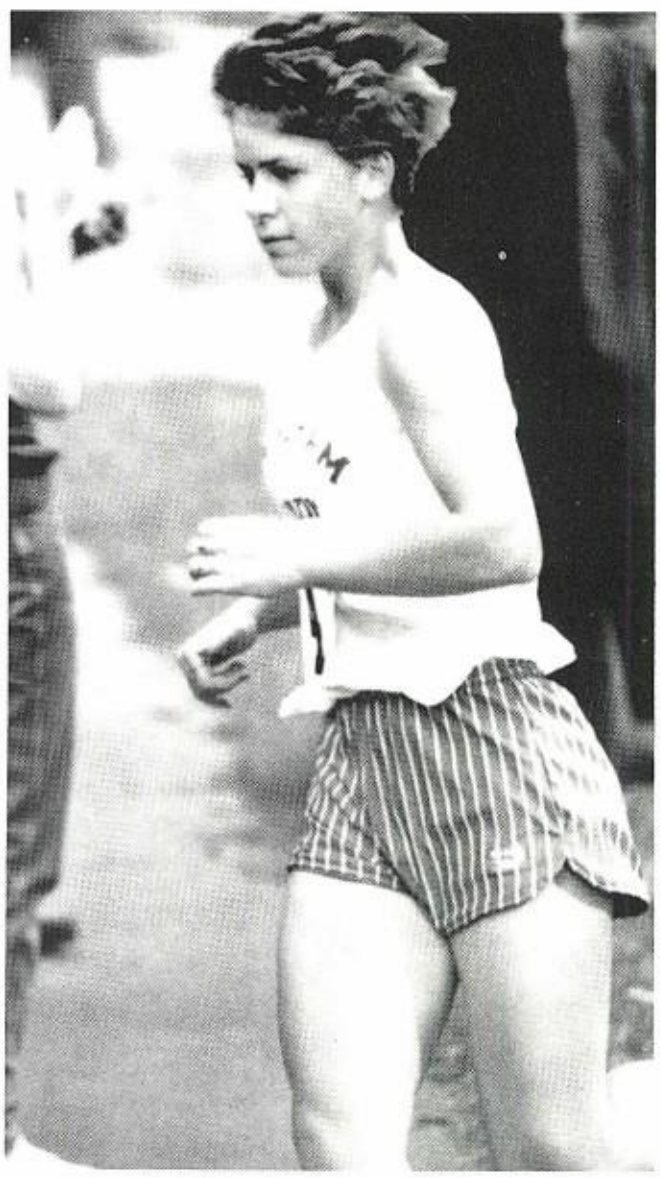
CROSS COUNTRY

Row 1: (l to r) Captain Danielle Fuligni, Meghan Swan, Renee Ferraro, Jane Powers Row 2: Coach Wayne Fillback, Karen Daly, Sara Ward, Susan Daly, Pam Swan, Kathy Scally









If one were to ask a member of the girl's cross-country team to sum up the 1987 season, she would without a doubt reply, "I had the time of my life." That is exactly what the team did this year, both individually and as a whole. The girl's cross-country team captured a number of crowns including the League Title, the Catholic Memorial, the Northern Area, and the Division Two State Championship. They did so under the excellent coaching of Mr. Wayne Fillback, who was named Coach of the Year by the Boston Globe. Together, he and the girls developed into one of the state's strongest contenders, while also establishing long-lasting bonds of friendship. Five members of the team were selected for the Middlesex League All-Star Team which includes Capt. Danielle Fuligni, Sara Ward, Karen Daly, Susan Daly, and Pam Swan. Two members of the team, Kathy Scally and Meghan Swan, were awarded Honorable Mention. The team certainly deserves the highest congratulations for a truly unforgettable season full of legendary moments!

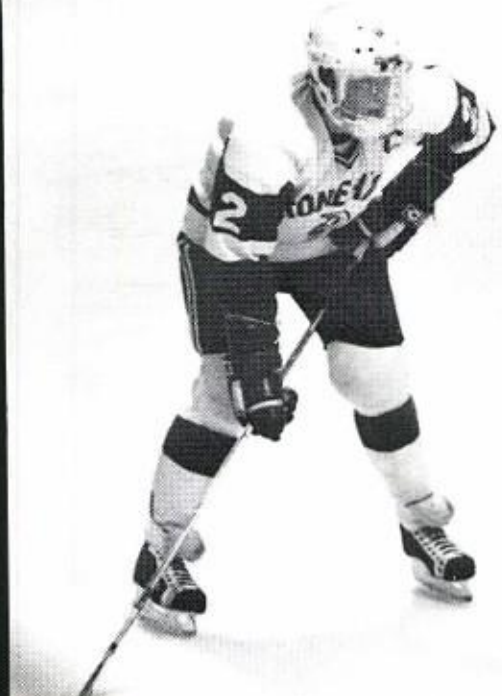
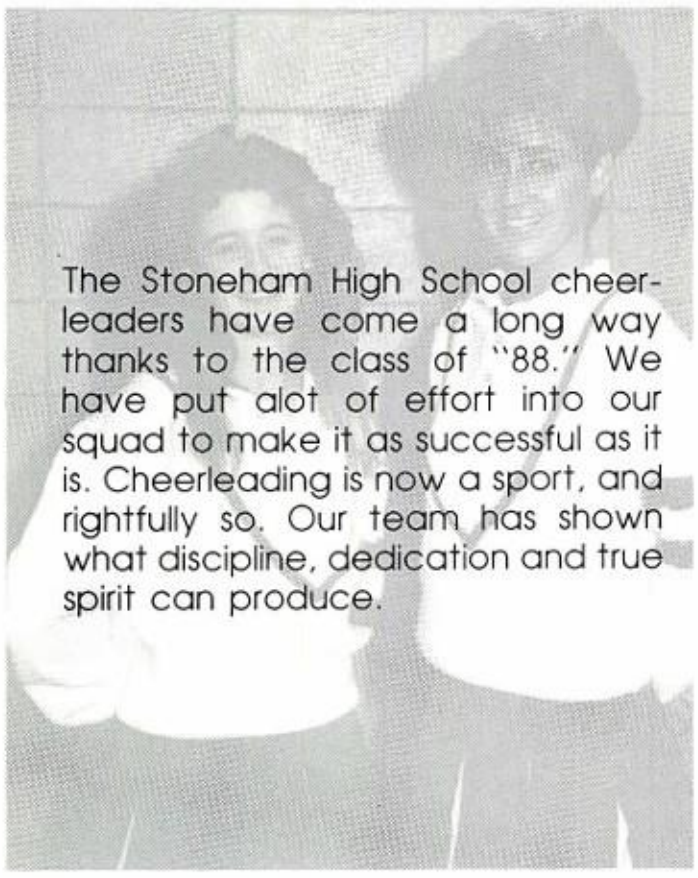
Brian O'Connell, Bob Rando, Donny Jackson, Frank Doucette Middle Row (l to r)- Coach Bill Seabury, Steve Sorabella, Craig Seabury, Glenn Seabury, Derek McCarthy, Brian Seabury, Coach Bob Carr, Coach Dick Burnham Back Row (l to r)- Coach MacNeill, Eric Sheehan, Rob Zuk, Shawn Quinlan, Derek Edgerly, Mike Noone, Dave Tropeano, Matt Cann, Ted Clark

This year's hockey team followed up last year's fine season with another great showing. After a rough start, the team was able to finish fourth in the Middlesex League with an overall record of 14-5-1. The team again qualified for the state tournament behind the strong play of All-Stars Donny Jackson, Craig Seabury, Brian Seabury, and Derek Edgerly and All-League members Brian O'Connell, Derek Abruzzese, and Glenn Seabury.



CHEERLEADING

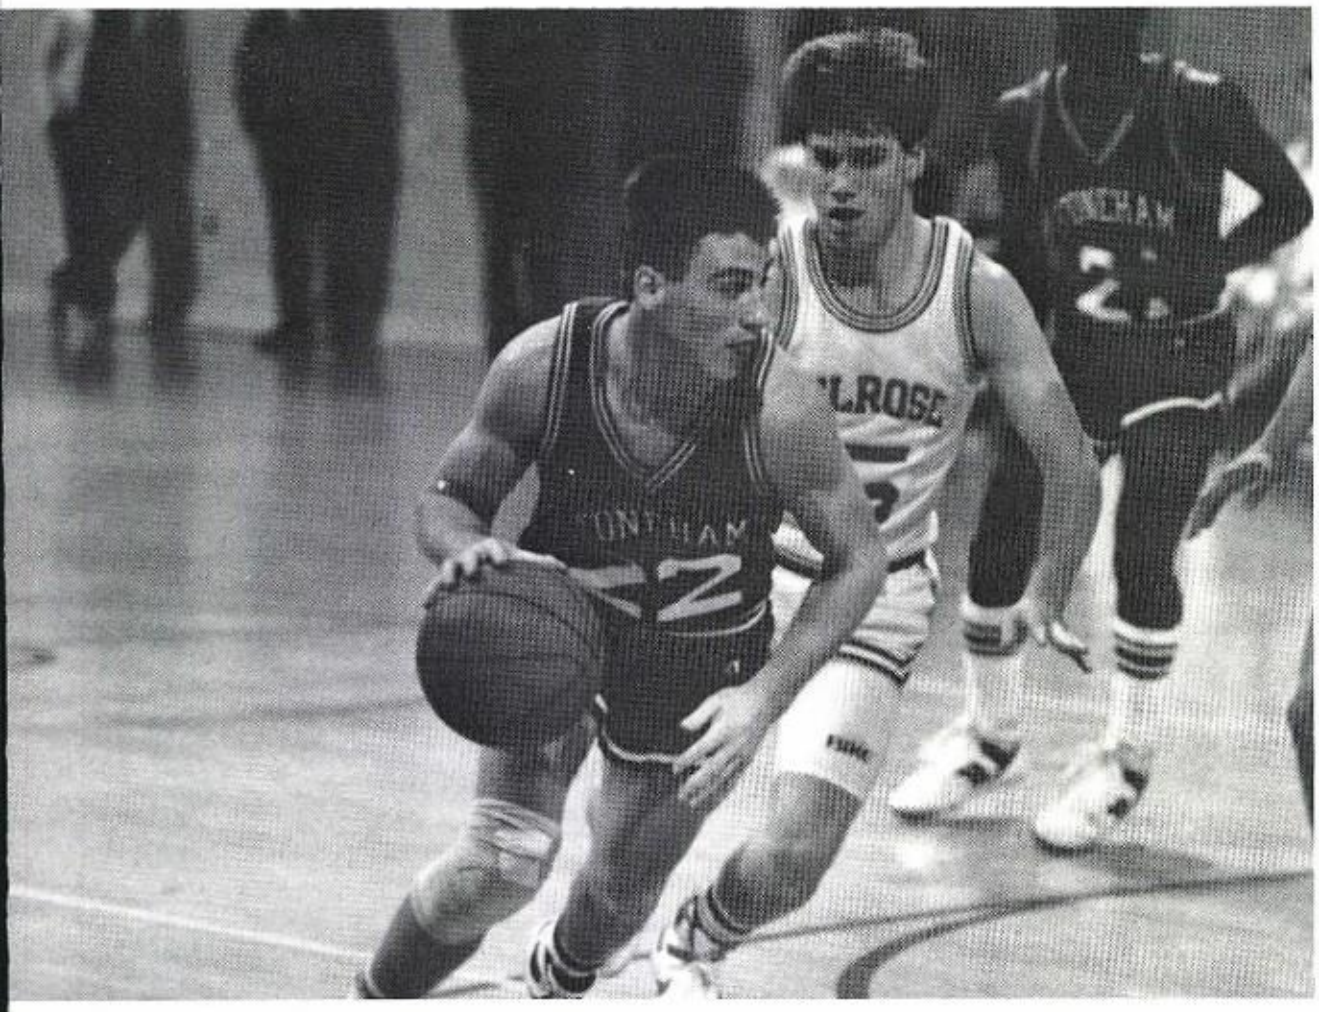
Front Row (l to r)-L. Gebhard, J. Sarno, Co-Capt. H. McLean, Co-Capt. K. Sheehan, T. Woodland, H. Bernat Back Row (l to r)-K. Schepis, A. Zaccanini, L. Manzi, P. Fazio, D. Flanagan, K. DeCessere



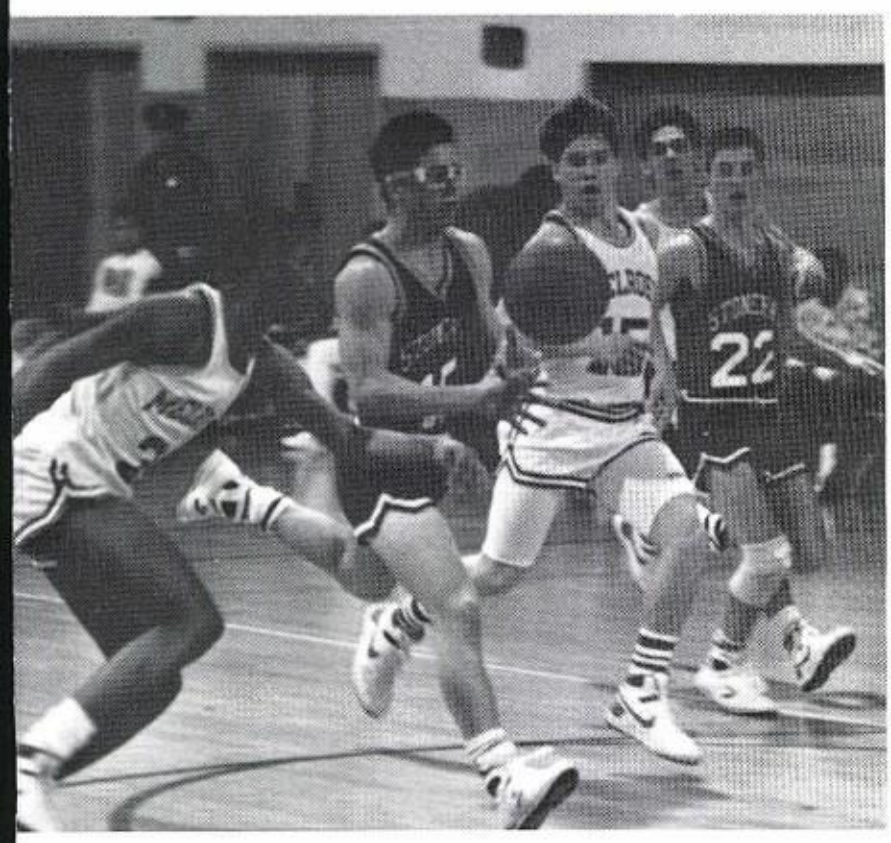
The Stoneham High School cheerleaders have come a long way thanks to the class of "88." We have put alot of effort into our squad to make it as successful as it is. Cheerleading is now a sport, and rightfully so. Our team has shown what discipline, dedication and true spirit can produce.

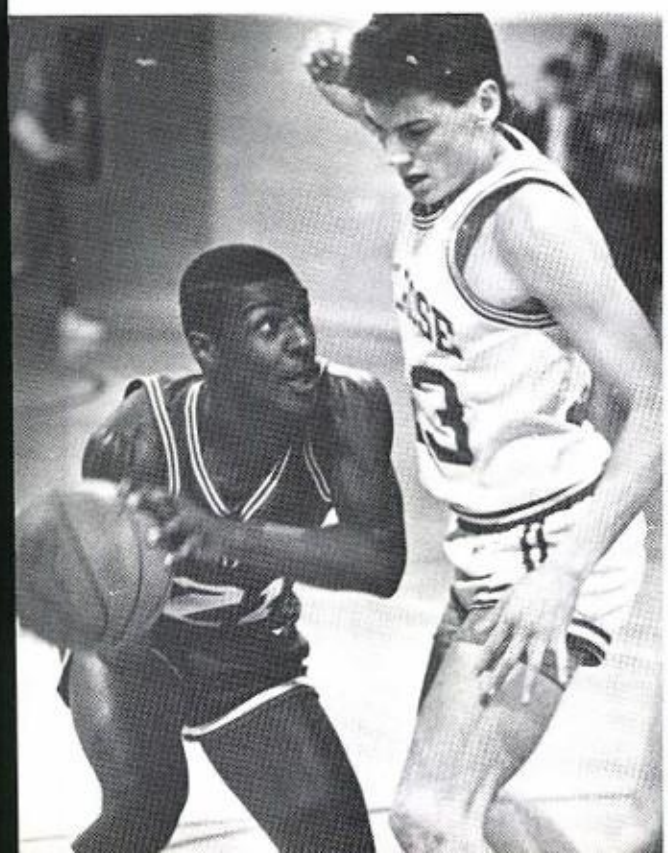
BASKETBALL

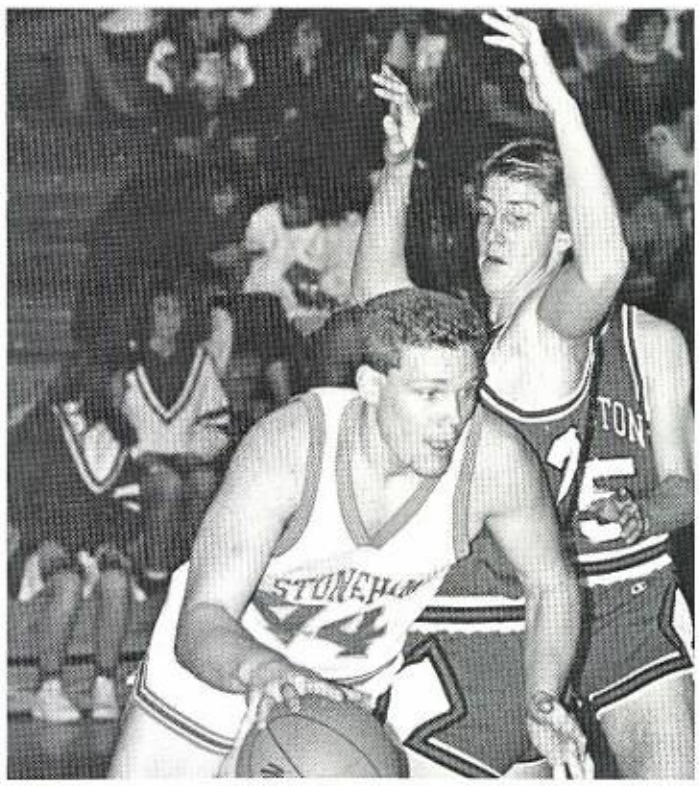
Front Row (l to r)-Co-Captains D. Disharoom and Joe Vitiello Back Row (l to r)-Coach Kililea, C. Celli, J. MacNeill, R. Pignone, L. Hurley, S. Palmer, M. Swan, R. Tamayo, K. Daly, C. Zayer, A. Dellaporta, Coach Kililea

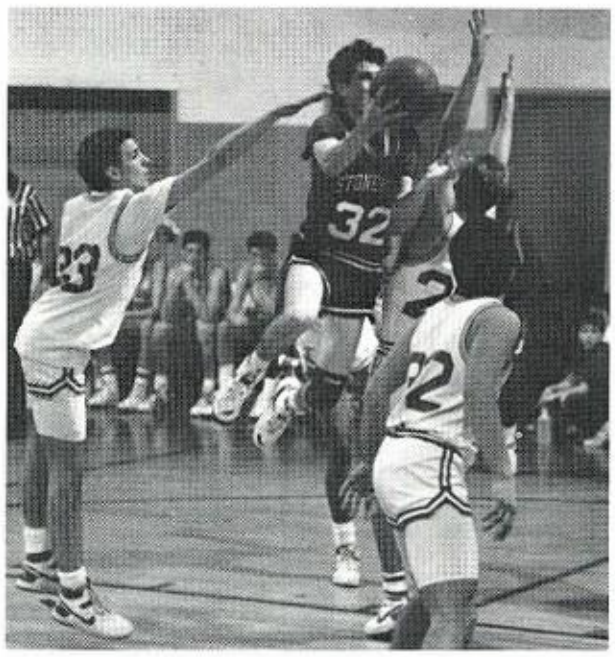


Led by Captains, Derek Disharoom and Joe Vitiello, the Boys Basketball Team started a new legend for Stoneham Basketball: A legend of winning. Their final record of 9-11 was greatly admired, as all home games were filled with cheering fans. The teams effort and determination paid off, as many of the games were close, even going into overtime. John MacNeill's abundance of 3-pointers left the crowd hoarse, and qualified him for the three-point contest. League honors went to All-Star Derek Disharoom and All-League Joe Vitiello. This team has left everyone expectant of future winning seasons in Stoneham Basketball.



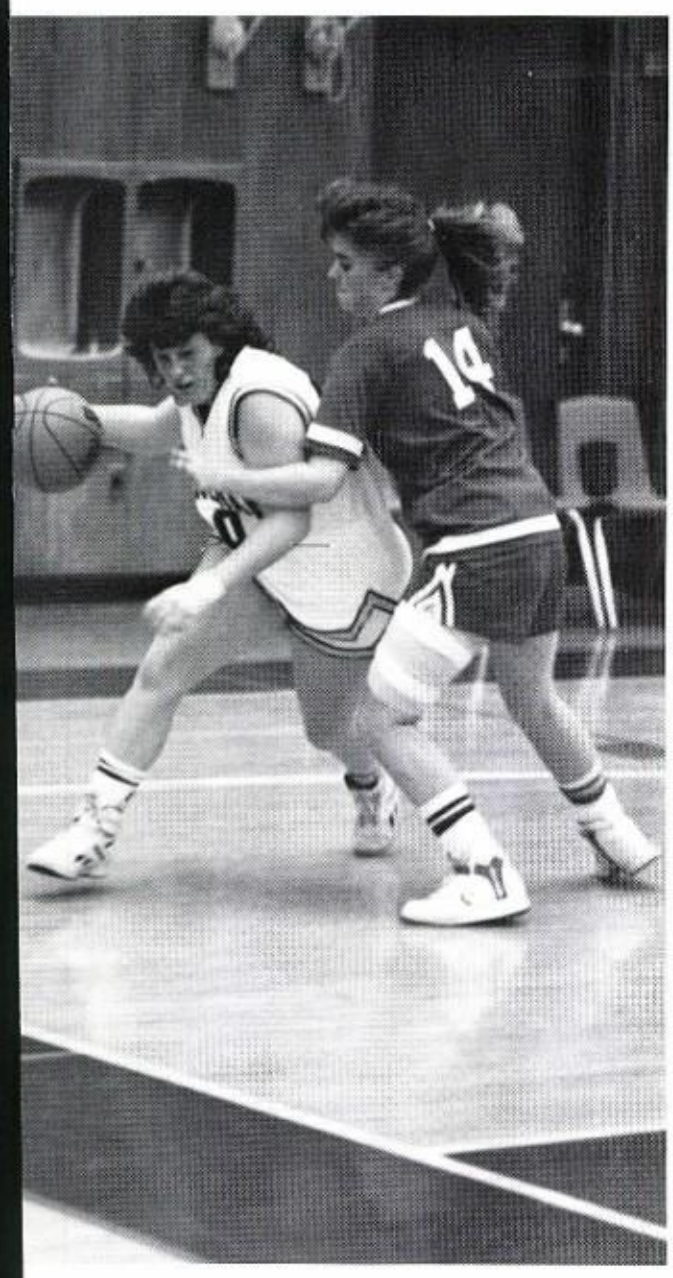






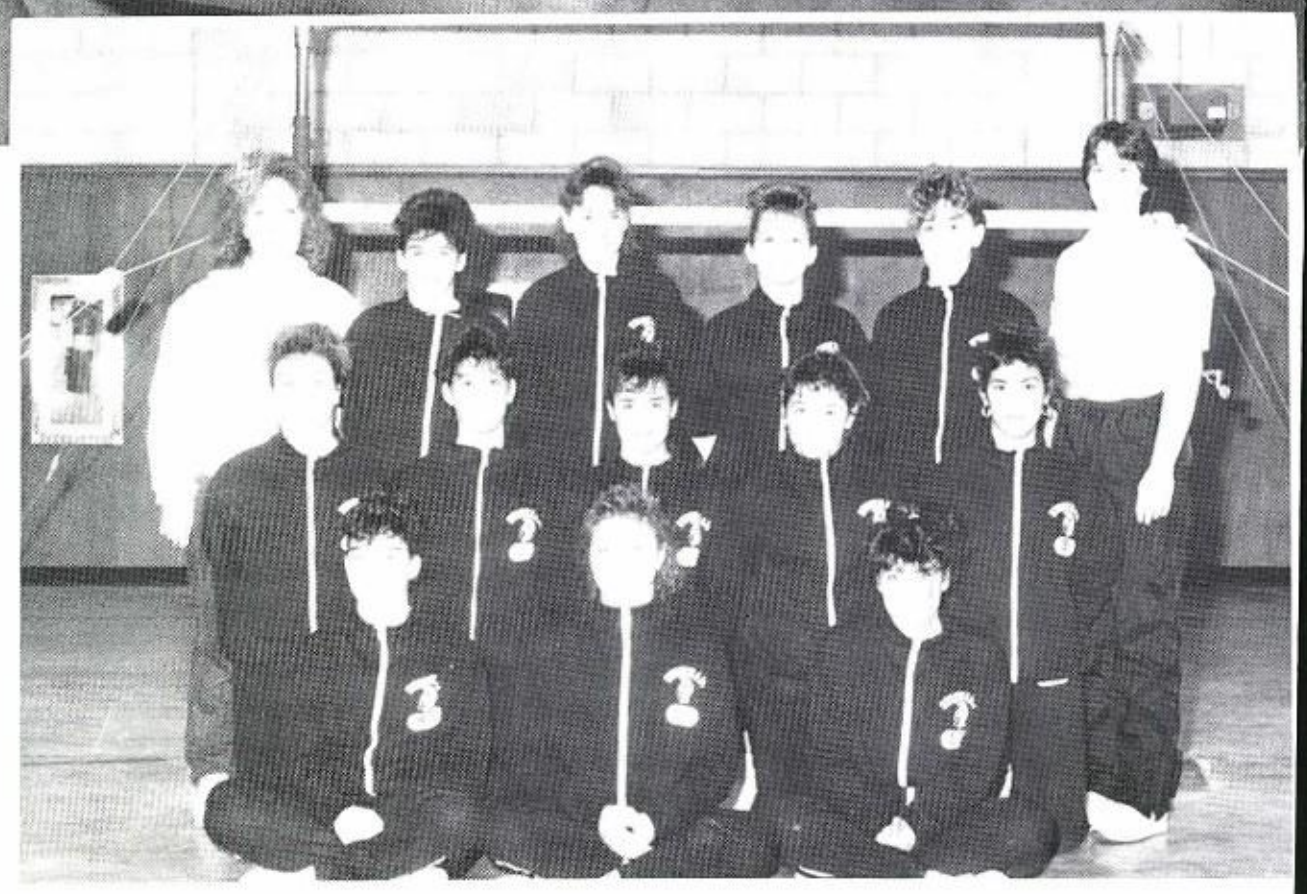
BASKETBALL

Front Row (l to r)-Tri Captains B. Hugo, M. Forbes, and C. Hugo Back Row (l to r)-Coach Marinelli, L. Kelley, D. Harrington, E. Connolly, K. MacPherson, C. Kench, L. Fantasia, M. Boyajian, J. Muise



Always doing your best is all one can ask for; and that is exactly what the Stoneham Girl's Basketball team did this season. As a result of their determination, the players were able to improve upon last year's record as they finished the season with four wins and fourteen losses. Yet, it is not the record that determines the respectability of a team but, its players. Led by team captains MaryAnn Forbes and Barbara and Colleen Hugo, the players never gave up nor did they succumb to the competitiveness of the Middlesex League. This was proven as Stoneham rose to defeat our archrival, Reading, in a very close game. All-Star honors were awarded to MaryAnn Forbes and Barbara Hugo as they represented Stoneham in the All-Star game along with the best.

GYMNASTICS



First Row- Cathy Angelosanto, Captain Melissa Christofi, Cheryl Deflumeri Second Row- Tara Brady, Becky Tramontozzi, Laura Stuto, Missy Sannella, Marlena D'Agostino Third Row- Coach Susan Christofi, Amy Coleman, Cathy Powers, Becky Macone, Gina Raphanella, Coach Cindy Carbone (Missing from photo: Sharleen O'Donnell)

This year's Gymnastics Team had a very successful season. After years of disappointing seasons and broken dreams, the team accomplished what was once considered impossible. Although the team finished fourth in the league, with their hardwork and dedication and the leadership of Captain Melissa Christofi and Coaches Cindy Carbone and Susan Christofi, the team qualified for the State Tournament with an average score of 111.89. Never in the history of Stoneham Gymnastics had a team qualified for the tournament or achieved such an acceptional team average. Post-season Honors were awarded to Tara Brady and Laura Stuto as they chosen as Middlesex League All-Stars and also qualified for the State Individual Meet. Congratulations to all the gymnasts and thank-you to our coaches for once again proving to us that with hardwork, dedication, confidence, a POSITIVE ATTITUDE, and 100 sit-ups a day, anything can be accomplished!!!!

This years Boys Track Team had one of its strongest teams ever. Led by Tri-Captains, Peter D'Angelo, Dave Ellegood, and Robert Ferraro, the team managed to finish fourth in the league with a record of 5-3-1. Not only was this one of the boys best track teams to pass through Stoneham High, but it was the most dedicated as proven by its many honors. Stoneham will long remember this team as they were the first Stoneham boys team to win the Class C Relays. Also, their 4x440 relay team, which consisted of Matt Tatian, Ellegood, Ferraro, and John Calcavecchia, not only won the Class C Relay, qualifying them for All-State, but broke the school indoor record and tied the outdoor one with a time of 3:32.2. League honors went to Simon Liu and Sean McCarthy. Obviously, this team is a legend in the making.

The Lady Spartans have proven they are the stuff from which legends are made. When Girls Indoor Track first entered the league, four years ago, the season ended with a disappointing record of 0-8. The determined freshmen vowed to improve their reputation within the league. Their determination paid off, four years later, as Tri-Captains, Sara Ward, Carolyn Driscoll, and Danielle Fuligni, led them off the field as League Champs with a record of 7-1. Their reputation improved, not only in the league, but state wide as well, as they finished third in the States, second in the Class C Relays and first in the Northern Area Meet. The teams depth was also recognized, as seven girls were honored as All-Stars. The honors went to Danielle Fuligni, Carolyn Driscoll, Kristin Merikanto, Kelly Carr, Kathy Keegan, and Pam and Meghan Swan. With a number of promising athletes returning, their saga will continue.

BEWARE OF THE BOUNCING SPITTOON!

Until the middle of the 19th century, rubber was an oddity—a material of great potential, but no practical use. But Nathaniel Hayward was sure that rubber's unique properties could profit sodden New Englanders, and he was determined to develop the techniques to make it possible. Just before the Civil War, he patented a practical rubber manufacturing process, and set up shop in a mill he bought from Elisha Converse near Spot Pond in Stoneham. By 1860, the Haywardville Rubber Works was turning out thousands of rubber boots, shoes, pails, buckets—and spittoons.

Stoneham Savings—a bank based in the best New England tradition—follows Nathaniel Hayward's lead in its determination to turn potential into profit. At Stoneham Savings, more than a century of banking experience is at your service, experience that could be the basis of a new tradition of financial security for you and your family.

Turning potential into profit—at Stoneham Savings, we think it's part of the New England tradition.
